Birthday Cruise

20-23 September 2014

Cruise Captain: P/C Lee Harkness, AP Call: 642-3575

Sat. 20 Sept. Legacy Harbor Marina [Contact Lee for slip reservations]
Hotel accommodations at 239-332-2048 reservations for shore travelers!
[Mention you are with Marco Island Sail & Power Squadron]

Dinner at a local restaurant.

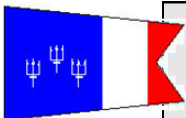

Sun. 21 Sept. Legacy Harbor Marina - dinner will be a barbeque, fixings purchased at Publix cost split among participants. Note: The Barbeque must be limited to those staying at Legacy (boat or room)

Mon. 22 Sept. Cape Harbor Marina - dinner at a local restaurant

Tue. 23 Sept. Cape Harbor Marina - dinner at a local restaurant

Please notify Lee Harkness, 642-3575 or lhark@embarqmail.com, if you plan on going to dinner Saturday or to the barbeque on Sunday.

The Eagle's Eye Editor
P/C ANDREA BATTAGLIA, SN

I was privileged to have P/C Tippy Cavanagh, SN as my JN and Navigation Instructor. Tippy was always well prepared at each class and brought other pertinent books, newspaper, or other articles related to that week's material. The weekly topic was explained in such a way that it was more easily understood than just reading the book material. If one in our class of four didn't understand a concept or question, Tippy patiently and professionally worked to get their comprehension, always quietly encouraging, never embarrassing. She went to the beach with us and guided us through the process of using the sextant and made sure we could get our sights done correctly.

With a great teacher like Tippy, I would recommend those who have completed AP to consider taking the JN and N courses.

Tippy, we congratulate you on your enthusiasm and capability, and give you my heartfelt thanks!

Did you see me representing MISPS in the Summer Issue of *The Ensign*? See p. 10 for 2013 Life Member & p.32 about my trip for Habitat to El Salvador!!

COMMANDER
CARL W. THIEME, SN

Sending greetings to all of you from a cool and sunny New Hampshire! The summer months have not been a slow time for our MISPS's officers and Committee Chairmen as they prepare for the schedule of MISPS's fall and winter activities and events.

Two major District 22 events are on the schedule. The first is the D-22 Fall conference which runs from 26 - 28 September at the Sarasota Hyatt. The District officers have been hard at work trying to change the format and content of the conference. The new educational offerings include such courses as Electronic Navigation Using the Computer, Cruise Planning, Photography, Co-op Charting and CPR. Give some thought to attending this conference if you haven't signed up already. The second event is the D-22 Cruise and Rendezvous scheduled for 6 - 9 Nov. at Little Harbor Marina, Ruskin, FL. The D-22 C&R is a fun event so put it on your calendar!

Our first MISPS dinner meeting will be on 8 October at our new venue, the function room at Shipp's Landing at 1100 S. Collier Blvd. A satellite photo of the site is included in the EE along with the dinner menu coupon page (see pp. 12 & 13). We will have a special section in the October Eagle's Eye explaining how to get there, where to park, etc. Our meeting speaker is going to be Nancy Richie the City of Marco Island Environmental Specialist. Nancy will talk about building the world's largest artificial reef off Marco Island and the impact it will have on our Southwest Florida water ecology and communities.

Our squadron's investments in CD's and the money market were rolled over in July. The Investment Committee will be meeting in the coming months to advise the Executive Committee on a long term financial strategy which will focus on increasing our yield while minimizing capital risk in the investment portfolio.

Based on the latest dues data, we have been experiencing a net loss in membership. Membership turnover is a constant reality for most organizations. Our Administrative Officer, Lt/C Bill Hughes, JN, Membership Chair, Lt Sara McFadden and Membership Retention Chair, Lt/C Peggy Reiss, JN-IN have been discussing and developing new membership recruiting and

**EXECUTIVE OFFICER
LT/C PEGGY E. REISS, JN-IN**

Last month I reported that Marco Island was hot, sunny and humid with afternoon thunderstorms. For this month: ditto. Thank goodness for the summer breezes to keep us cooler.

As for Executive Department doings, once again Lt Jack Walsh, N has an informative and insightful safety report so be sure to read his column.

The Public Relations Committee with Lt Moe Bishop, 1/Lt Kathleen Reynolds, AP and Lt Doug Curnutte, AP keep MISPS in the news. Check out the *Coastal Breeze* Newspaper for articles ***“The Good Old Days, Really?”*** and the latest ***“Don’t Let PWC Mean Pretty Wild Character.”*** Public Relations is beginning to strategize advertising for the upcoming ABC classes and has initiated a “Meet & Greet at CJ’s” for recruiting prospective members. We are also exploring other venues to get the word out about MISPS.

January will be here before we know it so please volunteer to assist Ways and Means Chair Lt Peggy Harsch when she calls about the Wine and Hors d’oeuvres Party. It is our only fundraiser and it takes the village of MISPS members to make it successful.

Our knights in bright red shirts continue to outdo themselves with VSC. So far, 250 boats have been inspected by 14 dedicated Squadron members. At last count, nineteen members have **NOT** had their boats inspected—let’s go for 100% ! You will be hearing from Lt Tom Ryan, S and his group as we try to show Marco Island that we practice what we preach.

Last but not least, the Ship’s Store has lots of goodies just waiting for you. Call Lt Peggy Harsch to buy a shirt or hat or jacket, etc. now through early September and then Lt Sheila Thieme will be back to take your orders. Wearing squadron logos puts our name out there. 🏹

Attention: 3 new members this month! First, **Jack Jamison** along with his partner, Linda Wolf are from Pittsburgh, PA and are anxious to spend more time on Marco. They have a 34’ Gemini Sail Catamaran named *Island Girl* and a 27’ World Cat Power catamaran, *Mercedes*. Jack and Linda enjoy sailing, fishing, golf and cruising. A most sincere welcome to you both!
(Continued - see page 10)

**ADMINISTRATIVE
LT/C WILLIAM J. HUGHES, JN**

In the summer, Marco Island is much quieter with little traffic as compared with the winter months. Nevertheless, those of us who live here year around keep busy and MISPS remains active also. Twice monthly Captain’s Meeting continue at CJ’s at 1700 on the second and last Wednesday through September after which they are held only on the last Wednesday of the month. There were 18 people at the 16 August captain’s meeting including Bill and Joanna Kohut, who are our newest members. Welcome!

We held a picnic lunch get together at Tigertail Beach on Saturday, 16 August with 22 people attending. See page 15 for pictures of the happy participants including two new members.

Membership is currently at 137 people, down net 5 members over the last two months. I can see many new houses being built on Marco, mostly on the water. We should all make an effort to make the new residents aware of MISPS and the boating and education experience provided by our organization.

In September, we have scheduled a squadron lunch at Cocomo’s Restaurant on Friday 12 September. Call Lt Peggy Harsch at 394-3484 for a reservation. Also, the Annual Birthday Cruise to Legacy Harbor in Ft Myers is scheduled for the 20-23 September. You can go by boat or car and stay at the Marina, either on your boat or in a room. Contact P/C Lee Harkness, AP at 239-642-3575 if you plan to attend.

We also have our first membership meeting coming up soon on Wednesday, 8 October at 1700. Note - our new venue is at the Shipp’s Landing Club Room, 1100 S. Collier Blvd. See information in this issue of the *Eagles Eye* (pp. 12 & 13).

The Danube River Cruise for 17-29 June 2015 is still open with 4 of us so far sending the \$25 per person refundable deposit required by 26 August. The deposit is required to hold the discount group pricing. If you are interested, call me at 239-394-3484 or 239-293-5793.

Enjoy safe boating ! 🏹

EDUCATION OFFICER
P/C EDWARD H. REISS, SN-IN

September Report:

Mark your calendars. The Fall 2014 and Winter 2015 education schedule is now available. Copy is included as a Flyer in this issue and is now on the MISPS Web page.

Please contact our great instructors or myself to register for which courses, electives and/or seminars you are interested in taking.

A recent review of squadron's education proficiency showed the following number of members who have attained the various grade and the number of members who have taken the various electives. Can we increase these numbers in the coming months?

No Grade	70
Seamanship	27
Piloting	16
Advanced Piloting	20
Junior Navigation	10
Navigation	3
Senior Navigator	11
Cruise Planning	25
Engine Maintenance	33
Marine Electronics	21
Sail	19
Weather	36
Instructor Development	20
No Electives	103

In addition to courses and electives there are seven two-hour seminars offered this season to round out your marine knowledge.

For each of the courses and electives student manuals must be ordered so let us know early of your interest. In the meantime let's go boating and have fun. 🚤

Save the date and get ready to participate in the Marco Island Christmas Street Parade on 13 December 2014 !!

SAFETY OFFICER
LT JACK WALSH, N

Summer Heat Safety

Summer means longer, warmer days, but during extremely hot weather, you are at risk of developing a heat-related illness, because the body loses its ability to cool itself. Heat-related illness can come on quickly, ranging from mild heat cramps to more serious, life-threatening heat stroke, also known as sunstroke. Exposure to a hot environment and strenuous activity for extended periods lead to an increase in body temperature. Wearing excessive clothing, drinking alcohol, and allowing the body to become dehydrated are also risky behaviors during hot weather. Sunburn, red painful skin that is hot to the touch, can result in skin damage, blistering, infection, and over time, possibly cancer, but sunburn also traps body heat under the skin and limits the body's ability to release heat. If it is severe, sunburn can result in overheating and illness.

Heat cramps are muscular pains and spasms that happen as a result of physical activity and are often the first signal that the body is having trouble with the heat. Heat exhaustion typically occurs when people exercise heavily or work in a hot, humid place where body fluids are lost through heavy sweating. Blood flow to the skin increases, causing a decrease of blood flow to vital organs, resulting in a form of mild shock. Body temperature can continue to rise and may lead to heat stroke, which is a life-threatening condition. During heat stroke, a person's body temperature control system stops working. If the body is not cooled quickly, brain damage and even death can occur. The groups most at-risk for heat-related illness include: People aged 65 years and older, Infants and children, People with chronic medical conditions, People with low income Outdoor workers and athletes. Heat cramps can lead to heat exhaustion, and heat exhaustion can lead to heat stroke, so it is important to recognize symptoms early. Symptoms of heat cramps include: Painful muscle cramps and spasms, usually in the legs and abdomen. Symptoms of heat exhaustion include: heavy sweating, weakness, cool, pale, clammy skin, weak pulse, muscle cramps, dizziness, nausea and vomiting, fainting.

Symptoms of heat stroke include: altered mental state, throbbing headache, confusion, nausea, dizziness, shallow breathing, high body temperature (104°F or higher), skin may be hot and dry (if heat stroke is

Squadron Dinner at Eurasia

Dinner for two with a bottle of wine, what a great deal! Twenty-seven met at Eurasia in Naples for a pleasurable evening with friends. The menu

featured traditional Italian and Vietnamese cuisine with a French influence, the service was excellent, and all enjoyed interesting conversations with MISPS members. Lt/C Teri O'Connell, JN told her grandson John, that they would celebrate his 18th birthday with friends; but she didn't mention that the average age was about 70! It was nice to hear stories from P/C Tippy Cavanagh, SN and husband John who were just back from their trip to Ireland. All in all, everyone had a fantastic time. ➤

Troy Miles, S, Lt Jim O'Connell, P, Lt Roy Sander, AP & Lt Pam Sander, AP

Jann Kenyon

Lt/C Teri O'Connell, JN with grandson, John Paul Kuszlyk III, bottom left, friend Marissa Fischer, and granddaughter Caitlyn O'Connell ➔

Lt/C Peggy Reiss, JN-IN and P/C Ted Reiss, SN-IN

Sam Taylor, S and Barbara Taylor, S

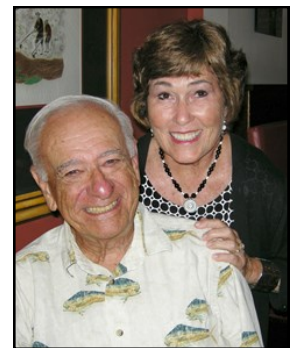

All smiles for John's 18th Birthday

Betty & P/C Bob Richardson, P with Lt/C Bill Hughes, JN

Lt Peggy Harsch, P/C Steve Moore, S and Anne Moore, S

Bryan Mordecai, AP & P/C Andy Battaglia, SN

John Cavanagh, Lt Bob Mueller, S & P/C Lee Harkness, AP ... a jolly group !

Phyllis Mueller, 1/Lt Dorothy Harkness, S and P/C Tippy Cavanagh, SN

Wed @ CJ's
25 JUNE

Wonderful evening ... not too hot, and atmosphere of celebration for the recent course graduates (see p. 11). Twenty-two gathered at our favorite watering hole. P/C Andrea Battaglia, SN was delighted to have granddaughter Taylor Tedesco visiting from AZ. Taylor was attending the Cousteau Camp through the MI Charter High School for studying marine biology. Jann Kenyon's son Eric from MD also joined in the MISPS captain's meeting festivities. 🌊

## "Hand & Foot" Card Game

Call 1/Lt Dorothy Harkness, S at 642-3575  
Email: [dorothyharkness@embarqmail.com](mailto:dorothyharkness@embarqmail.com)

Easy to learn this fun game ... nice  
to play while on cruises. Socialize  
with the ladies of the squadron, give  
Dorothy a call! Cards at the condo  
dates will be on the 2nd and 4th  
Tuesdays at 1300

**It's not too late!**  
**Call one of our**  
**vessel examiners,**  
**if you haven't had**  
**your boat's VSC yet.**

**Know before you go!**

## Education, Education, Education ...

by Edmund M. Shebert, N

It is time to recognize our Instructors, who do so much for our squadron ... America's Boating Club. They are knowledgeable, give freely of their time, and certainly are not overpaid! In my opinion this area is the most important activity that MISPS offers and can serve boaters well when unforeseen events threaten to become disasters on the water.

As a relatively new boater, I have a newfound peace of mind when planning, executing, and returning from an excursion on the water. This 'feel good' comes from you, my teacher and words cannot describe my gratitude for instilling your experience, knowledge, and know-how to this boater.

This past year, for the fall and winter semesters, four classmates were preparing to become Navigators. We encouraged the education branch of the squadron to offer the Navigation courses – Junior Navigation and Navigation. P/C Tippy Cavanagh, SN stepped up and signed on. Now, certainly, these classes were difficult, both for the teacher and the students. I marveled at how Tippy always came to class fully prepared, freshly delivering the material in ways that we would learn. She used examples, chalk talk, and experiences that made you learn and help remember and unravel the complicated mystery of our skies.

Tippy, we thank you from the bottom of our hearts. Go forth and keep on teaching the gospel of the celestial marvels that share tons of practical information for both the casual and experienced boater. Students remember their good teachers for a lifetime. There is no better title in life, than "teacher", and you have earned this designation, and will forever be remembered by your students ... and by me! 🚤

### Miscellaneous ... Ladies Lunch, CJ's and New Members:

Ladies Lunch 8/12 - Doreen's Cup of Joe: Lt/C Peggy Reiss, JN-IN, Phyllis Mueller, P/C Andy B., SN, Lt/C Carol Einhart, AP, Lt Peggy Harsch, & Pat Jansen

Newest Members: Bill and Joanna Kohut with Lt/C Peggy Reiss, JN-IN

**8-13-2014 Captain's Meeting at CJ's:** slowest time of the season, but 18 showed up to enjoy the warm evening and friends. Kathleen's grandson Dakota was visiting from MA and taking sailing lessons on Marco. I heard lots of laughs from fun conversations! 🚤

Dakota with 1/Lt Kathleen Reynolds, AP

(continued from p. 5) Our newest members are **Bill & Joanna Kohut** who moved here from Maryland. They sold their home, boat, etc. "up north" and became full-time Marco residents. They bought a 52' Hatteras and named it *Lady Joanna*. Bill worked in logistics and Joanna was a teacher. Bill is interested in car racing & boating activities. Joanna likes dancing, biking, opera, movies and singing.

Welcome to our squadron ! 🚤

# About Insignia . . .

**NAVIGATOR**

**JUNIOR NAVIGATOR**

The EP bar is also added to the Junior Navigation and Navigation insignia to denote Educational Proficiency.

Formerly "Full Certificate" (all of the courses have been taken) is now designated as Senior Navigator, grade insignia is surrounded by an educational proficiency "box".

**SENIOR NAVIGATOR**

**LIFE MEMBER**

If a member earns 25 Merit Marks, he or she is recognized as a Life Member. A Life Member is allowed to display a mark similar to the Senior Member's mark except that the "V" is surrounded by a gold laurel wreath.

**Dennis Trego, N, P/C Andrea Battaglia, SN (LM), N instructor P/C Tippy Cavanagh, SN, Lt Jack Walsh, N, Lt/C Peggy Reiss, JN-IN, and Lt/C Teri O'Connell, JN at CJ's**

We can be very proud of our education department with a number of graduates as listed in last month's EE in the SEO's column; we took this chance to celebrate at our summer bi-monthly Captain's meeting at CJ's. We also recognized two who were not present that passed Piloting with P/C Lee Harkness, AP as instructor. Three of the four Navigation course and two of the 3 JN graduates were present. Only three of the eight AP graduates were present ... many were now "up north". It is because of the dedication and experience of our well qualified instructors, that made the courses interesting and presented in an understandable way. We most sincerely thank them! 🚤

**P/C Ted Reiss, SN-IN the Advanced Pilot instructor, with 3 of the 8 who passed AP: Lt Pam Sander, AP, 1/Lt Kathleen Reynolds, AP & Lt Roy Sander, AP at CJ's**

Educational Proficiency is awarded to anyone achieved a grade level of at least Advanced Piloting and completed at least three Elective Courses. Shown is an AP insignia with the Educational Proficiency bar below it.

**ADVANCED PILOT**

**EDUCATIONAL PROFICIENCY**

When a member earns 5 Merit Marks, he or she is recognized as a Senior Member. A Senior Member is allowed to display the following mark below their insignia of grade.

**SENIOR MEMBER**

## Shipp's Landing Condominium — 1100 S Collier Blvd, Marco Island FL

MISPS dinner meeting is in Clubhouse above parking garage.

Stairs to Clubhouse level are shown below. Elevators are available in residential buildings.

Guest parking areas are outlined in yellow. Spaces reserved for residents are numbered, including all spaces inside parking garage.

# Squadron Lunch

Wonderful sunny day and a beautiful view of the beach, 16 members met for lunch at the Sunset Grille at the south end of the island. Boating Activities Chair Lt Rhonda McAuliffe-Gloodt passed around a sign-up sheet for a Cruise & Lunch at the Island Gypsy for 18 July (replacement for cancelled Mid-summer cruise and lunch.). Many were excited for the change and a “blast” was sent out. It was fun to listen to Caitlyn (age 18) about her excitement in going to basic training for the Navy at the Great Lakes, Illinois base. Grandparents Lt/C Teri O’Connell, AP & Lt Jim O’Connell, P will really miss her. Good service and great lunch had by all. 🌊

(top left)  
P/C John Noffze, S  
and Beverly with  
Lt Pam Sander, AP

(below left) P/C  
Ted Reiss, SN-IN,

# Tigertail Beach Picnic

1/Lt Kathleen Reynolds, AP, Lt/C Bill Hughes, JN, Lt/C Peggy Reiss, JN-IN and Lt Roy Sander, AP

On 16 August, 22 squadron members attended our Tigertail picnic, hosted by Lt/C Bill Hughes, JN and Lt Peggy Harsch. The big hamburgers, hot dogs, potato salad, coleslaw and condiments were supplied, while participants brought their favorite non-alcoholic beverage. P/C Tippy Cavanagh, SN brought delicious homemade chocolate chip and oatmeal-nut lace cookies for all. Weather was sunny but hot, with a few rumbles from a thunder cloud just off shore ... but no rain. Some of the first to arrive pitched in to set the tables and some assisted Bill with grilling burgers and dogs. Everyone enjoyed the food and company. 🍴

Always dapper-looking in their hats ... Pat and P/C Albert Jansen, AP

Birthday girl - Lt Pam Sander, AP & Lt Rhonda McAuliffe-Gloodt, AP

# Wed @ CJ's 9 JULY

Mid-summer fun at CJ's for the 9 July Captain's Meeting with 29 in attendance. A few more are back from recent trips, Juanita and Owen will be traveling to several states including Iowa and Ohio to visit family and friends. Teri and Jim are getting ready for the send-off of their 18-year old granddaughter into the Navy. Always nice to know what is going on with our various members. 🇺🇸

**SAFETY OFFICER:** (continued from page 6)

caused by hot weather) or sweaty (if heat stroke is caused by physical activity), rapid pulse, loss of consciousness.

If someone experiences symptoms of heat stroke, seek immediate medical attention by calling 911 or your local emergency number. The longer you wait the more damage that can occur. A person experiencing a heat-related illness should be moved to a cooler place and given fluids slowly—a half glass of cool water every 15 minutes. Do not give liquids that contain alcohol or caffeine. If the person is vomiting, do not give him or her anything to drink. The body should be cooled quickly, either by immersing the person in a cool bath or wrapping him or her in wet towels with a blowing fan. Ice packs may be placed on the head, neck, armpits, and groin. A doctor may prescribe medications that prevent shivering, because shivering also increases body temperature and makes other treatments less effective.

To avoid heat related illness, drink plenty of fluids, regardless of your activity level. Don't wait until you're thirsty to drink. Avoid alcohol and drinks with large amounts of sugar. Replace salt and minerals lost in sweat by drinking a sports beverage. Stay cool indoors, preferably in an air-conditioned place. If your home doesn't have air conditioning, visit a public building, such as a shopping mall, movie theater, or public library. Call your local health department to find the nearest heat-relief shelter in your area. Taking a cool shower or bath can also help your body stay cool. Wear appropriate clothing, including lightweight, light-colored, loose-fitting items that cover as much skin as possible. Monitor those at high risk, including infants, young children, people aged 65 years and older, people with a mental illness, and those who are physically ill. Limit outdoor time to evening hours as much as possible. Cut down on exercise, and rest often in shady areas.

Do not leave anyone in a parked vehicle, particularly children or animals. Protect yourself from the sun by wearing a wide-brimmed hat and sunglasses. Wearing a broad-spectrum sunscreen with UVA and UVB protection will guard you against sunburn, which reduces your body's ability to release heat. Before going outside for the day, check your local news for a report of the day's weather conditions so that you can plan ahead. Take it easy, stay hydrated, and visit <http://www.cdc.gov/extremeheat> for further tips on staying healthy in hot weather. 🌞

**COMMANDER** (continued from page 4):

retention ideas plus initiatives to address MISPS's membership issues. Part of the new membership drive will be focused on improving the number and the size of our ABC classes in the fall and spring. Our SEO, P/C Ted Reiss, SN-IN has scheduled four ABC classes for our 2014-2015 season (see enclosed flyer). We will also be exploring more ways to improve advertising and promotion programming for this course. ABC classes have traditionally been a major source of new members for MISPS that usually more than offsets any membership turnover.

Finally, I had an Andy Warhol moment of fame these last several months making the front page of the Sunday Naples Daily News. The article focused on the theft of credit card information at a local Marco gas station. I will tell the whole story at one of our meetings. The outcome of the whole incident is that the perpetrator was caught on videotape trying to use my credit card number on forged card. He has pleaded guilty and was given a sentence of 40 months in the county prison. The police advice was to pay cash or use a credit card at the main counter not at the pump.

I look forward to seeing all of you when I return to Marco in early September. 🐢

# Cruise & Lunch to Isles of Capri - Island Gypsy

On Friday, 18 July 2014, two boats and 22 people attended a most delightful lunch at the Island Gypsy. Boating was a bit limited on this occasion due to a low tide, so some of those that wanted to attend by boat made a wise decision to arrive by car. Lt Rhonda McAuliffe-Gloodt, AP came with her 3 grandchildren who were visiting from Nebraska. Although not in the photo, Maliyah wore a lovely hat and looked so adorable.

P/C Ted Reiss, SN-IN and Lt/C Peggy Reiss, JN-IN arrived aboard *Just Us II* and Lts Roy and Pam Sander, AP came via the *Green Flash* (see cover photo). We had excellent service, delicious food, and a nice cooling breeze during lunch. Everyone enjoyed stimulating conversation and had a great time! 🌴
