THE EAGLE'S EYE EDITOR
D/1/Lt Andrea K. Battaglia, SN

I'm back from my Viking Homelands cruise aboard the Ocean Viking Star visiting 8 countries ... fantastic time with my daughter and two cousins! I sincerely thank squadron members that took photos of events in my absence and glad our squadron continued to have many events during the summer.

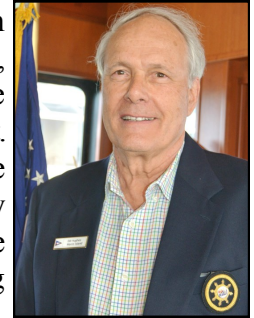

I think we have a very energetic squadron with both social and civic activities. Makes me proud to be a MISPS member! 🚢

COMMANDER
Bill Hughes, JN

Yes, summer is here as you can tell by the temperature outside, the uncrowded streets and the ease of getting a seat in any restaurant. Our cruises and lunches for the next few months will be mostly to restaurants, taking advantage of air conditioning. See boating activities schedule on page seven.

Note as described in the column of Lt/C Tom Morr, P, we will be changing the dinner meetings venue back to the Marco Island Yacht Club, starting in October. Also, the day will be changed to Tuesdays, when the club is normally closed. You should know that the Yacht Club has invited our members to use their dining and bar facilities during 1 June to 30 Sept. Just wear your MISPS badge, call at least a day ahead for dinner reservations and pay with credit card. Peggy and I took advantage of this offer several days ago with two of our guests. We all were impressed with the high quality of the food and found the prices reasonable. This is a good sign for our dinner meetings at the Yacht Club starting in Oct.

Remember, the District 22 Fall Conference will be held on 1 October in Punta Gorda. Then, on 3-6 Nov., a Cruise and Rendezvous is planned at Palm Island with Marco Island, St. Petersburg and Cape Coral doing the planning. Please mark the dates on your calendar and plan to attend.

I have mentioned previously in this column my interest in organizing a group trip to Cuba. The best I have found is with the Fathom division of Carnival that is sailing a ship every other week from Miami to Cuba and return a week later. Their less expensive cabins were sold out, rapidly, long ago. Peggy and I have booked a cabin for the one week trip leaving 18 September. As of this writing, there are a few cabins still available. If you are interested, you can get more info at www.fathom.org/cuba. 🚢

**Announcement by Administrative Officer
 Lt/C Rhonda Gloodt, AP**

I know you all join me in thanking Jack Walsh, N for his excellent articles promoting safety and wish him the very best in his new squadron in Maine. This issue of *The Eagle's Eye* (page 6) introduces our new Safety Officer, Lt Jay Fernandes. Jay's extensive experience in sail and power boating insures his qualifications. Please give Jay your support in this very important position. 🚢

Captain's Meeting
"Meet & Greet"
CJ's Gazebo Bar
at the Esplanade
at 1700
2nd & 4th
Wednesdays
of the Month

District 22 Cruise & Rendezvous at
Palm Island Marina, Cape Haze, FL
(Flyer on website & look for info in next EE)

EXECUTIVE OFFICER
Lt/C Rhonda Gloodt, AP

Everyone has been going full speed ahead with their summer plans. Some of us have been able to travel, spend some vacation time with our families and others have had to deal with health issues, we pray for their speedy recovery!

The class on kayaking by P/C Peggy Reiss, JN-IN has proved to be very beneficial to our family, Bob and I kayaked in the Bahamas and then we kayaked with thirteen of our family members at Marathon Key in June.

The Wear It Campaign helped us to make sure that our 7-month old grandson had his own life jacket. We have been playing with him in the pool with his life jacket on so he would get used to wearing it. We took him to Sombrero Reef with us. We were out on the boat four hours snorkeling and he did great! He even had his own little boat to enjoy!

I will be teaching the weather class again this year and hope that many of you will take the class. This class is very interesting and understanding weather is useful on a daily basis.

Lt Tom Ryan, P stated, “Many of our Vessel Examiners are up north for the summer. As a result, the number of new vessel safety checks has dropped and we have only had a few in the past month. To date we have completed 243 inspections. In terms of the numbers we are 3rd in the District and we have done about 2% of all the boats inspected nationally. Reminder to our Vessel Examiners who are up north, you can still do Safety Checks on boats in other locations (and states). If you need forms or stickers, send an email to Lt Tom Ryan, P.”

Enjoy your summer! 🌊

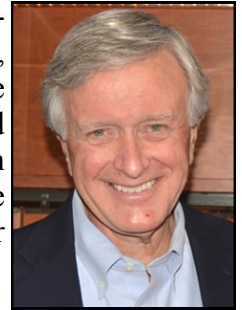

Lonnie and baby Lonnie; Amy, Maliyah, Olivia, Liz, Jackson, Cody, Laura and Rhonda Gloodt are all ready to go snorkeling—Sombrero Reef.

ADMINISTRATIVE OFFICER
Lt/C Tom Morr, P

Summer fun! Warm weather, uncrowded beaches, restaurant specials, less congested waters – it is a great time to be in our part of paradise. The laid back attitude that overtakes Marco in summer highlights a key reason people join the Marco Island Sail and Power Squadron which is for the fellowship.

Boaters are social people and the less hectic pace of summer gives us time to linger at a Captain’s Meeting, a Ladies Lunch or on a cruise and picnic. It’s a great time to build the relationships that make our Power Squadron so special.

June was a busy month with a cruise to Cape Romano, a dinner at Eurasia, a ‘Welcome Aboard’ mixer at the Marco Island Yacht Club, cards at the condo, a lunch at the Dock in Naples and Captain’s Meeting at CJ’s. Whew! That’s a lot of fun. Special thanks to Lt/C Rhonda Gloodt, AP, Lt Ann Derwin, Cdr Bill Hughes, JN and Lt Dorothy Harkness, S for making these activities a success.

And there is much more to come. In July, we go to the 360 Market in Naples, the Dolphin Tiki on the Marco River, the Esplanade and more. If you have not joined in the fun, this is your invitation. Please join us.

Also this summer, your Bridge has been planning for the remainder of this program year and next. Our dinner meetings are moving. Both the day and location will change in the fall. Next Season our meetings will return to the Marco Island Yacht Club. The MISPS regular dinner meetings will be held on 11 October and 8 November in 2016 and on 10 January, 14 March and 11 April in 2017. The meetings are moving from the second Wednesday to the second Tuesday of these months to take advantage of the opportunity to use the Yacht Club facility which will give us more room to socialize at our meetings. Special thanks to Lt Cliff Winings, SN for hosting us at Shippo Landing. It has been great, but we have been pushing the limit of the space there; an aggressive effort is underway to take the Yacht Club to a new level, so now is a good time to make this change.

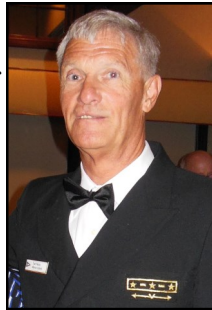

The Christmas Party will remain at Kretch’s and the Change of Watch will once again take place on the *Marco Princess*.

Lots of opportunities to make friends with some of the best boaters in our area. 🌊

EDUCATION OFFICER
P/C Edward Reiss, SN-IN

I am happy to announce that 1/Lt John Maciolek, P volunteered for and was appointed to the position of Assistant Squadron Educational Officer. Thanks John. His new role will get him involved with the America's Boating Course as well as other aspects of our programs.

The Virtual Trainer is up and running. John and I are playing with the trainer to learn how to maximize your time and fun. System consists of a steering wheel, control panel with single or dual throttles and the display projected from our overhead projector to display either a view from the helm or an aerial view. System can be run for single engine boats or twin engine boats. Scenarios are set in various locations around the world, i.e. San Francisco, New York, Europe etc. to allow practice in driving, docking, obstacle avoidance, rules of the road, and navigation. There is even a feature to show how much damage you might cause and how the boat will respond to the throttles as the boat takes on water (before sinking). Contact me to set up time for you to hone your skills.

Education schedule for the Fall and Winter is in the draft stage. Plan is to offer several sessions on a request only basis. These are VHF Radio and specific manufacturer GPS/Chart Plotter sessions for Garmin, Raymarine and Lowrance devices in a member's boat. Two new seminars relate to Cruise Planning and Weather. Dropped from last year are Rules of the Road and Mariner's Compass. We would like to schedule courses in Electrical Systems (basic wiring on a boat) and Engine Maintenance, however we need an instructor for each and a specific interest from members wanting to attend each course. Who is interested? Please let me know by mid-July.

If you have an interest in another aspect of boating let me know so we can prepare a seminar on that topic. Hope to hear from you.

In the meantime, say hi to John, go boating and be safe. 🍷

Look for excellent Educational Workshops/Roundtables at the District 22 Fall Conference—1 October

SAFETY OFFICER
Lt Jay Fernandes

Safe boat handling & fun on the water

Safe Boat Handling is second nature to many members of the MISPS. Our power squadron has cruised extensively and as a result acquired a wealth of knowledge and experience. We learn firsthand by continually making decisions while transiting from place to place, sometimes long distances. Recalling from past experiences, we apply our knowledge to new situations which undoubtedly always arise. The sea is a powerful force. Being unprepared can lead to damaged property and even injury.

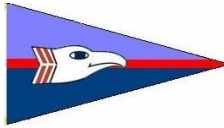

When you are cruising around SW Florida, moderate wind and seas are common. It's a tricky place for gunk-holing, a favorite pastime. Recently, our power squadron cruised to Whitehorse Key. Several boats left Marco Island and transited several miles southeast. When we arrived at 11am the breeze was 8-10 knots out of the North East. The wind soon shifted more Northerly and continued to build. A nice thing about islands is that they always provide a lee. We found a calm and safe anchorage on the leeward side of a sandy spit on the North end of Whitehorse Key. Each vessel was safely secured fore and aft to prevent side to side drift and to compensate for the tide. Having a stern anchor prevented damage to trim tabs and transducers. The bow anchor on the beach made it easy to pull the boat closer and safely debark with all the required equipment to have a comfortable picnic in the shade. It was a beautiful day. What could be better?

Returning to Marco from Whitehorse was more challenging due to brisk wind on the nose. During any transit, each Skipper must consider several factors to assure a safe return. Among them are wind speed and direction, set and drift, boat speed and displacement, draft, proximity to navigational hazards, tidal height, and vessel traffic. The boats made it back safely without a hitch due to safe and responsible boat handling techniques derived from years of experience and acquired knowledge.

The MISPS is devoted to education. Our courses are widely recognized as an excellent way to learn basics boating techniques and advanced subjects such as piloting and navigation.

As always, smooth sailing ! 🍷

Captain's Meeting at CJ's

The new squadron mascot “Lily” (Newfoundland) was a big hit and drew attention from the public at our meet and greet at CJ's on 27 April. There was an adorable little boy about two years old (see cover) that wanted to get close to Lily and his mother wanted a photo ... so cute! Thirty-two members gathered in friendship and a few to say “bye” as they head north for the summer. Lt Gene Burson, AP brought “Wear It” flyers for members to distribute to their favorite businesses. It was a relaxing evening with quite comfortable temperatures and not so humid, a reminder to those leaving how nice our early summer can be. 🌴

Arriving by boat at the Esplanade, “Lily” with life jacket, Lt/C Rhonda Gloodt, AP, Nina Gibb (Rhonda’s sister) Jackie & Glen Bray (Kathleen’s sister), and 1st/Lt Kathleen Reynolds, AP

Key West Cruise

We couldn't have picked better weather for the 28 April Cruise via the Key West Express, even if we tried! Our group included: Cdr Bill Hughes, JN & Peggy Harsch, Lt/C Rhonda Gloodt, AP, Nina Gibb, Lt Cliff Winings, SN & Joyce, Linda & Jay Fernandes, Jackie & Glen Bray, D/1st/Lt Andy Battaglia, SN and Bryan Mordecai, AP. We signed up on the boat for a special Conch Train tour which was almost an hour and narrated by a knowledgeable guide. Ten of the 12 went to a Cuban restaurant and after a most delicious lunch, the group separated to see different local attractions. I have been there a number of times, but this was my first time to visit the Audubon House and botanical gardens. Audubon never lived there, but was an historic home and housed many of his beautiful bird prints ... well worth going! 🐦

Cliff and Jay in front row and Joyce and Linda on outside deck of Express

One of the many beautiful orchids seen in the botanical gardens at historic Audubon House; many copies of Audubon prints displayed.

Glen, Jackie and Rhonda enjoying the open air as the ship departs Marco

We bought group tickets at a reduced price for the Conch Train Tour of Key West

Ten of us went for lunch at El Meson De Pepe, a Cuban Restaurant

Some of our group outside, just having finished the informative tour

White Horse Cruise & Picnic

7 May 2016

Cruise Captains Andy B. & Bryan M.

Four squadron boats (11 members) pull up onto sand beach of White Horse Key

On a cool morning in the 60°s, it was a fantastic day for a cruise to White Horse, about 3 miles south of Coon Key Light. *Andy B* with D/1st/Lt Andy Battaglia at the helm and crew of Bryan Mordecai, AP, Cdr Bill Hughes, JN and Peggy Harsh arrived first. There was already a pontoon boat there with 2 fellows making a camp; they said they could stay for 2 weeks. Their table was set with tablecloth and flowers. Next to arrive was *Just Us II* with P/C Peggy Reiss, JN-IN, P/C Ted Reiss, SN-IN and Lt Tom Ryan, P. *Tippecanoe* with P/C Tippy Cavanagh, SN & John rounded Gullivan at a good speed as they arrived. *Therapy* with Jay and Linda Fernandes came the “back” route from Port of the Islands. Camaraderie, beach walking, sunshine, gentle breeze and a fun lunch were enjoyed!

Captain's Meeting

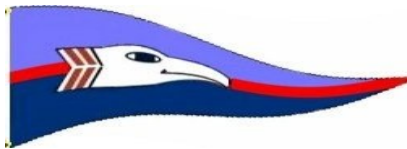

11 May 2016

The 11 May Captain's Meeting at CJ's welcomed two new members to our squadron; Marcy & Dan Marinelli who are now full-time Marco residents. They are from WI and later MD. Dan is/was a Systems Engineer and Marcy a Counselor/Educator. Altogether thirty members

met for libations and fellowship. Our banner was prominently displayed above the bar to advertise our presence to the public. Again, a few more members came to say so-long before heading for the north for the summer. The rest of the "year-rounder's" have a full schedule of fun activities to do during the summer. The summer rains haven't started yet, but we know how to plan around the weather pattern. More and more residents of Marco have found out how nice, but hot it is here in the summer and are becoming full time. Fun in the sun! ☀

21 May 2016

CAP plane with Cdr Bill Hughes for event fly-over

FL Wildlife Officer signs in for "Wear It"

City Councilor Bob Brown with Police Chief Al Schettino

We thank Rose Marina for hosting the Ready, Set, Wear It event this year and donating two inflatable life jackets as door prizes. In communities that have an event, such as this, it has been proven that people are more likely to wear a life jacket when they are on the water. 80% of the deaths on water are preventable if they would have been wearing a life jacket. Last year we registered 95 people and one dog with life jackets and Marco Island was number one having held the largest event of this kind in FL. This year we registered 47 people and 3 dogs to be counted in the World Record for the most people wearing life jackets at the same time. We thank Participants! (Lt Gene Burson, AP)

75th Anniversary Open House !

A number of MISPS members joined Marco Island's Black Sheep Squadron for an informal and informative afternoon touring Civil Air Patrols Aircraft, hanger, communications and training facilities. In celebrating 75 years of volunteer service members and guests enjoyed

a complementary lunch with the pilots, crew and support personnel who deliver search and rescue services to our community. Several of our members are also CAP members: Cdr Bill Hughes, JN, Dave Dumas and Steve Reilly. The CAP fly-overs looking for missing or disabled boats is very important to the community and our squadron. We thank them for their service. [30 April 2016 at Marco Island Executive Airport]

P/C Ted Reiss, SN-IN and Cdr Bill Hughes, JN in CAP uniform

Community Service—Beach Clean Up

31 May 2015

Photos by Lt Tom Ryan, P &
Lt/C Rhonda Gloodt, AP

About a fifteen-plus of our MISPS members met at the South Beach to participate in Marco's beach clean up after the busy Memorial Day weekend. This evening event took place from 1800 to 2000, but it was still very warm outside. Participants were: Lt Gene Burson, AP, Lt Tom Ryan, P, Lt/C Tom Morr, P, Sam Taylor, S, Barbara Taylor, S, Cdr Bill Hughes, JN, Peggy Harsch, P/C Peggy Reiss, JN-IN, and P/C Ted Reiss, SN-IN (cont.)

The Gloodt Family:

(middle) Laura, Jackson, Rhonda
(back) Bob

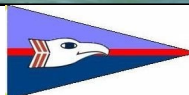

Peggy and Ted Reiss with Sam and Barbara Taylor on the magnificent wide beach with powder-like fine white sand ... voted # 1 beach in the world in 2015! We keep it clean and beautiful. 🌊

BEACH CLEAN-UP
with
Marco Island Sail & Power Squadron

Cape Romano Cruise & Picnic

Fantastic day on the 3rd of June for this event with two boats and 15 people taking part. Lt/C Rhonda Gloodt, AP's four grandchildren are having a super summer with boating activities. First mate on *Lucky Dog* on this trip is

1/Lt Kathleen Reynolds, AP ... making sure everyone wears life jackets, helps with the anchor, etc. *Just Us II* with P/C Peggy Reiss, JN-IN or P/C Ted Reiss, SN-IN at the helm, included a crew of Cdr Bill Hughes, JN, Peggy Harsch & Bryan Mordecai, AP. Shade tent was pitched, chairs and coolers situated, then the beach, water, and nature were enjoyed. Turtle nests were observed, nesting bird area avoided, and shells collected. A fun time was had by all! 🐢 (Photos by P/C Ted Reiss, SN-IN)

Squadron Dinner/Lunch

(Photos by P/C Ted Reiss, SN-IN)

On 10 June, 17 squadron members met for a fabulous dinner at the Eurasia Restaurant in Naples. This was about the 6th annual event replacing the monthly lunch with a dinner during the summer. The menu offered a wide variety of mouth-watering choices featuring traditional Italian and Vietnamese cuisine with a French influence. It's always a pleasure to enjoy camaraderie with squadron friends. 🚢

Peggy Harsch, Cdr Bill Hughes, JN and Bryan Mordecai, AP

P/C Peggy Reiss, JN-IN and P/C Ted Reiss, SN-IN

Betty and P/C Bob Richardson, P

P/C Owen Henning and Lt Juanita Henning, S

A dozen met at the Dock Restaurant in Naples on 21 June for a delightful lunch on the waterfront with a nice breeze, or was it all those nice ceiling fans? Service was great, friends fun and I (Andrea) was happy to include my cousins visiting from the Oslo area of Norway who stayed with me for a few days. The tropical menu was mouthwatering—another pleasurable event! 🚢
