20 Dec	Ladies Lunch at Petit Soleil in Old Marco	1130 —
27 Dec	Captain's Meeting at CJ's Gazebo Bar at Esplanade (Tue.)	1700 p. 04

**Save the Date! Sunday, 11 December 2016**  
**Squadron Christmas Party at Kretch's**

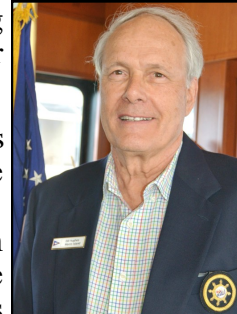

**THE EAGLE'S EYE EDITOR**  
**D/1/Lt Andrea K. Battaglia, SN**

Well, did anyone catch the changes in last month's *Eagle's Eye*? The major change is the redo of the *EE* masthead to conform to the "Branding" rules. The USPS® wheel logo is on the left and MISPS burgee is not present (therefore conforms to being smaller than the National symbol). The artwork of an eagle first appeared on the cover of the March 1979 issue of the newly named publication. The other change is the addition of the "Sunshine News". I am pleased that Lt Mary Carleen Ferry, S will send me the "news" each month. 🦅

**COMMANDER**  
**Bill Hughes, JN**

Summer is over and I am looking forward to some cooler, dryer weather.

On 6 September, a dozen members participated in a clean up of the southern end of the Marco beach; see article and photos on page 9. The area looked quite clean before we started but it is amazing how many filter tips from cigarettes are mixed in with the small driftwood. After we finished the clean up, Sam Taylor, S, Barbara Taylor, S, Peggy Harsch and I went in the beach entrance to the Sunset Grille for some cool ones and dinner. We watched the magnificent sunset on the Gulf horizon, finished eating and walked over to the MICA parking lot to the Taylor's car. A problem, the gate was pad-locked and the lot completely fenced in and no one was around. Seems the gate is usually locked a half hour after sunset. Fortunately, my car was nearby so we drove the Taylors home and they retrieved their car the next day.

Do not forget the District 22 "one day" meeting on 1 October in Punta Gorda. There will be interesting workshops and round table discussions starting at 0900. In the afternoon, will be the Conference meeting with our nine delegates and me as Commander to vote for the squadron.

Our first dinner meeting this fall will be on the 11th of October at the Marco Island Yacht Club, which, is a change of venue. It is also a switch of days from Wednesdays to Tuesdays.

On 3-6 November is the District 22 Cruise and Rendezvous at Palm Island Marina, Cape Haze, FL. This should be a great opportunity to meet members of the other 16 squadrons in our District. We are co-hosts with St Petersburg and Cape Coral squadrons for some of the activities. We are now busy planning the entertainment for Saturday the 5th.

Our nominating committee has proposed a slate of nominees as shown on page 13. On 8 November we have our annual business meeting and dinner. This will be on a Tuesday at the Yacht Club. The election of new officers will take place at that time for the next watch year which starts 10 February 2017. 🦅

**SUNSHINE NEWS**  
**Lt Mary Carleen Ferry, S**  
**239 394-4884**

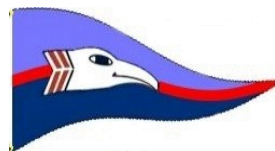

**Please remember:**  
**Jann Kenyon – Knee replacement then had emergency abdominal surgery. She is getting better but very slowly.**

**Bob Mueller – surgery had for a squamous cell skin cancer on his head, then eye surgery for a hole in his retina.**

**Please let me know of anyone who is sick, injured or deceased. I will send them a card from ALL OF US.**

**Or Email: apdo@comcast.net**

**EXECUTIVE OFFICER**  
**Lt/C Rhonda Glodt, AP**

As your Executive Officer of MISPS, I have found it fun and enjoyable to learn as much as I can about boating! I will be taking Junior Navigation with P/C Tippy Cavanagh, SN this season. I find Celestial Navigation fascinating and challenging and worth the time and effort to learn.

This summer I studied for and passed the US Coast Guard Exam for Operator of Uninspected Passenger Vessels (TCAPTS-340) and Master 100GT (TCAPTS-530) just call me Captain Rhonda! I could not have done it without the knowledge I had learned from the United States Power Squadron courses. I hope you will be taking one of our top notch MISPS classes this season!

Lt Gene Burson, AP and Lt Wanda Burson, S are busy planning for the Wine and Hors D'oeuvres fundraiser. The first Ways and Means committee meeting was held on 17 August; it's not too early to start working on this project. The next meeting is scheduled for 4 October at 1600 at MISPS condo. Give Wanda and Gene a call to help out with our once a year fundraiser!

Lt Tom Ryan, P is looking for individuals to train as Vessel Examiners (VE). This is an important job and helps to keep our boaters safe. Most of the VEs are snowbirds and are still up north. To date the committee has reported 244 vessel safety checks.

Our Supply officer Lt Sheila Thieme will be returning to Marco later in October along with Co-op Charting Chair P/C Carl Thieme, SN.

Lily our Newfoundland Dog Mascot made sure to show her support for the new Police boat by attending the Police Boat Commissioning at Rose Marina. As soon as she gets that 'Wear It' life jacket on she knows she has an event to go to! 🐾

**Congratulations,  
Rhonda on passing  
The Captains  
Courses!**

**ADMINISTRATIVE OFFICER**  
**Lt/C Tom Morr, P**

You ... members of the Marco Island Sail and Power Squadron (MISPS) are the organization's most valuable resource. Your commitment to boating safety, civic engagement and boating fellowship make MISPS great. Sharing a common cause and experiences has created a community of friends who have a love of boating in the waters around Marco Island. At MISPS boating activities, dinner meetings, Captain's meetings, lunches, programs, and other activities you can feel the camaraderie. It is impressive to see how we can pull together as volunteers to get things done.

Boat safety checks, boater education classes, 'Wear it!' campaign, cooperative charting, sharing knowledge of local waters, etc. make boating safer for all in our area. All members should take pride in this important work. It wouldn't happen without you.

But, when we are together what I see most is a group of people who have formed lasting friendships because of MISPS. It's a great thing.

Which brings me to a concern. How do we continue to bring new members into the Squadron? Safe boating is not a 'one and done' activity and the attraction of the fun and friendships formed in MISPS is greater if the Squadron continually welcomes new boaters into the organization.

Planning will soon begin for the 2017 program year. This is a good time to look a fresh at what we do and to seek to revitalize and invigorate our activities. Your ideas about new places to go, new things to learn at our meetings, new ways to ramp up the fun at our events and how to expand our membership are welcome and needed. Would you be part of a group to brainstorm this? If so, please let me know.

**ALERT:** Change is underway already. Starting Tue., 11 October, MISPS dinner meetings return to the Marco Island Yacht Club. Also, starting Tuesday, 25 October the Captain's meetings at CJ's will shift from WED. to TUE. Henceforth, Captain's meetings will be on the 4th Tuesday of the Month. See the schedule of events in *The Eagles Eye* for details.

Finally, many thanks to Lt Ann Derwin for arranging the September breakfast at Marker 8.5 and the Cruise and Lunch at the Rod and Gun Club. Also, thank you to P/C Ted Reiss, SN-IN, who was the Cruise Captain to Everglades City. Like I said, members are the essential ingredient. 🐾

**EDUCATION OFFICER**  
**Lt/C Edward Reiss, SN-IN**

Our educational program begins this month with the America's Boating Course on Monday, 3 October. The immediate follow-up has the seminars on How to Use a Chart and How to Use a Global Positioning System. That is followed by an On-The-Water event, use of the Virtual Vessel Trainer and a presentation on how to use a computer navigation program for charting and cruising.

The complete list of all courses and seminars is contained on the MISPS web site and is included in this issue of *The Eagle's Eye*, page 15. Whenever changes in dates, times or topics are made (and there are some from last month) they are posted on the web page. So please contact me or check the latest website. Several new seminars are offered this season: How to Predict Weather and a Cruise Planning Roundtable.

A recent check of the squadron members education proficiency revealed over 60 members have not yet taken the SEAMANSHIP course! Nick Rago, AP and Rick Kelso, AP are looking for some of you to register for their course which starts on February 6th – plenty of time to arrange your schedule. Let them know of your interest. This course covers boat handling, how to deal with emergencies and much more information on overall boating safety and background. Course is good for both the Skipper and the First Mate.

At our October dinner meeting the Virtual Vessel Trainer will be available for all to see or use before the business meeting or after the formal speaker. Boat choices range from a jet ski to cruise liners (think Titanic) with single and double engine options. We can also change the weather from calm to stormy or day to night.

Instructors are ready to hear from you. In the meantime let's go boating and be safe. 🚤

**SAFETY OFFICER**  
**Lt Jay Fernandes**

Hurricane season is upon us again and we are all watching weather maps to be ready and prepared. Much of the knowledge and information we acquire is accumulated from years of experience and listening to others. Most of us have assets at risk which are exposed to wind and sea. Our MISPS members have been challenged by the forces of Mother Nature and prepared in advance on numerous occasions. There is not a better resource when you need ideas on how to better prepare for severe storms than listening to others who have successfully weathered them. Wouldn't it be helpful to solicit input from our members? Let's hear about the storms you remember and what happened. What would you have done differently? What should we do to better prepare our properties for such events. Give us your input. Send your anecdote, story, advice to [jayseafem@gmail.com](mailto:jayseafem@gmail.com). I will compile and distribute.

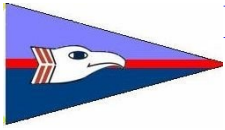

The first week in September we had a close call with Hurricane Hermine. Many of us had to anticipate an unknown path and take necessary precautions to protect our property. Depending on our confidence we can either leave the boat in the water or have it removed. If the boat is small enough we simply put it on our trailer and park it in a safe place. Once the boat is out of the water make sure the drain plug is removed so the boat doesn't fill with water which can cause severe damage to the boat and trailer.

Leaving the vessel in the water is an option but also has greater risk. Typically, Coast Guard Cutters and Navy ships leave Port when a storm is imminent because heavy winds and extreme tides and surges are too dangerous. When in Port double up bow and stern lines, also spring lines must be adjusted to compensate for extreme tides. All lines must have fair leads so they don't get tangled or chafed. Frequently it is not your vessel which is the problem but someone else who hasn't been as cautious and their boat causes damage to others. Double check the automatic bilge pump. Remember, if a hurricane had an attitude it might be: "Whatever isn't tied down is mine for the taking and if I can pry it loose it, wasn't tied down." "Semper Paratus".

Smooth Sailing! 🚤

(Ed: Semper Paratus, Latin for Always Ready)

## Community Service Beach Clean-Up

Sam Taylor, S, Bryan Mordecai, AP, Lt/C Rhonda Gloodt, AP, Barbara Taylor, S and Lt Gene Burson, AP

Bryan with grabber and bucket, Cdr Bill Hughes, JN, Peggy Harsch, P/C Peggy Reiss, JN-IN and Lt/C Ted Reiss, SN-IN

The day after the Labor Day holiday was a great time for MISPS to sponsor the Beach Clean-Up at the south end of the Marco beach. “Grabbers”, buckets for trash and water were passed out by the Beach Advisory Committee (BAC), as well as the bright colored tee shirts. Our squadron ad is about the center of the back and has the USPS® wheel logo (see example below). About a dozen of our members participated along with a few local residents including a couple kids. It was very hot ... I know I did a lot of sweating, but found quite a bit of trash including many cigarette butts and bottle caps. Our group split up, some going south and some going north. A majority of the trash that was found was in front of some of the hotels; lots of plastic straws found there. Second area with most trash was along the grass or dune area. It was great to see the BAC beach vehicle come to pass out more water; September is very hot, but it’s a pleasure to participate in community service.

Note: Lt Gene Burson, AP is also Chair of the BAC

Participating, but not in photos: new members Marcy & Dan Marinelli

Gene Rhonda D1/Lt Andy B, SN & Bryan Barb & Sam Taylor

# MARKER 8.5

Cruise  
9 September 2016

# BREAKFAST

Fantastic idea by Cruise Captain, Lt/C Tom Morr, P for a cruise for breakfast! *Good Times II* with Tom at the helm and crew of his wife Karen, Lt Gene Burson, AP and Lt Wanda Burson, S arrived in warm, but delightful weather. The boaters joined the group at Marker 8.5 making a total of thirteen participants. We should consider this boating activity again when our snowbirds return. They have an excellent menu ... I started to drool when I saw and smelled Wanda's Island special of poached eggs in conch chowder; Bryan had buttermilk pancakes and others more traditional fare. 🍴

Lt/C Rhonda Gloodt, AP, Cdr Bill Hughes & Peggy Harsch

Bryan Mordecai, AP & D/1/Lt Andy Battaglia, SN (LM)

**Community Involvement**

**Marine Officers Josh Ferris & Bob Marvin, Police Chief Al Schettino, and Marine Officer Brian Hood**

**City Commissions New Police Boat**

On 13 September, the City of Marco's new police boat was commissioned and launched at Rose Marina. Twelve MISPS members braved the unsettled weather to demonstrate their support for the police and recognition of our cooperative mutual efforts at safe and responsible boating. The boat is a 220 Bahia Ranger with nice big "Police" in reflective letters on the side. Extensive modifications were made by Ranger with consultation from Dan High, Mgr. Rose Marina and the Police Dept., Marine Div. to fit their needs. City Manager Hernstadt expressed pleasure with this city purchase. After a brief but impressive blessing the boat was launched and Rev. Nguyen donned a life jacket to join the officers for the initial test ride. The Ranger, when not in service, will be on the lift adjacent to the ramp in Caxambas Park at the south end of Marco. From this point, she can respond to situations in the 10,000 islands as well as support other first responders in near-shore waters around Marco Island.

## Cruise & Lunch—Everglades City

Bob Gloodt on bow with line ready aboard *Lucky Dog* with Lt/C Rhonda Gloodt, AP at the helm

Tim Clune, S, friend John, Fred Schoen, S and friend Don by antique truck by back entrance to Rod & Gun Club

It was a gorgeous, sunny day for a cruise to the historic Rod & Gun Club Restaurant and Lodge in Everglades City. Three boats, led by Cruise Captain Lt/C Ted Reiss, SN-IN, made the most enjoyable trip and others joined the boaters making a total of 12 for lunch. The service was excellent and food good, especially the nice crisp French fries. The Rod and Gun Club was established in 1864 ... wow, that's before the end of the Civil War! Over the years it has hosted prestigious guests as Presidents Roosevelt, Truman, Eisenhower, Hoover and Nixon; also many celebrities (John Wayne, Sean Connery, etc.) The lodge was first built in the 1800s for fur traders Indians and white men. It has even appeared in movies (*Gone Fishin'* in 1997). We all had a great time.

Tim Clune with friends John and Don;

Fred Schoen, S ready to tie off the line;

*Just Us II* arriving near dock;

Lunch Group:  
(clockwise) Cdr Bill Hughes, JN,  
Bob Gloodt,  
Bryan Mordecai, AP,  
D/1/Lt Andrea Battaglia, SN,  
P/C Peggy Reiss, JN-IN,  
Lt/C Ted Reiss, SN-IN,  
Lt/C Rhonda Gloodt, AP  
and Peggy Harsch;

Tim, John, Don & Fred at far table.

Chartered 1978

**MARCO ISLAND SAIL AND POWER SQUADRON, INC.**

A UNIT OF THE UNITED STATES POWER SQUADRONS®

1114 N. Collier Boulevard  
Marco Island, Florida 34145  
(239) 393-0150

6 September 2016

To: Lt/C Lori Williams, S, Secretary  
Marco Island Sail and Power Squadron

Pursuant to the bylaws of the Marco Island Sail and Power Squadron, the Nominating Committee presents the following slate of nominees for election at the Annual Meeting on 8 November 2016 for the squadron Year 2017-2018:

**Bridge Officers**

Commander	Lt/C Rhonda Gloodt, AP
Executive Officer	Lt Gene Burson, AP
Admin. Officer	Lt/C Thomas Morr, P
Education Officer	Lt/C Edward Reiss, SN-IN
Assist. Ed. Officer	1/Lt John Maciolek, AP
Secretary	Lt/C Lori Williams, S
Assist. Secretary	1/Lt Kathleen Reynolds, AP
Treasurer	Lt/C Teri O'Connell, JN
Assist. Treasurer	1/Lt Deborah Rago

**Auditing Committee**

Steven Riley	1-year term
(Ch) Lt Bill Kayhart, P	2 -year term
Susan Bauer	3-year term

**Nominating Committee**

P/Lt/C Mary Alice Wilson, JN	1-year term
P/C Patricia Cavanagh, SN	2 year term
P/C Peggy Reiss, JN-IN	3-year term
Cdr Bill Hughes, JN	(Immediate Past Cdr)

**Executive Committee**

Lt Tom Ryan, AP	1-year term
P/C Steve Moore, S	2-year term
Earl Haldeman	3-Year term
Cdr Bill Hughes, JN	(Immediate Past Cdr)

**Rules Committee**

P/C Jim Olmes, SN	1-year term
P/Lt/C Mary Alice Wilson, JN	2-year term
D/1/Lt Andrea Battaglia, SN	3-year term

Respectfully Submitted,

*P/C Carl W. Thieme, SN*

Nominating Committee:  
P/C Carl W. Thieme, SN, Chair  
P/Lt/C Mary Alice Wilson, JN  
P/C Patricia Cavanagh, SN  
P/C Peggy Reiss, JN-IN

Copies to:

Cdr William J. Hughes, JN  
D/1/Lt Andrea K. Battaglia, SN, Editor

# Calusa Island Marina

## “Fishmas Tree”

This is the 3rd year that the Marco Island Center for the Arts has presented a “special holiday call to leadership” for local organizations, clubs and schools for community involvement. “Fishmas Tree” is the Christmas tree theme for MISPS’ participation in the fund raiser this year. We are collecting fishing Lures, Bobbers, Fishing Flies, Fishing Spoons and any ornaments pertaining to fishing. If you have anything, old or new, pertaining to fishing that you would like to donate, please think of us. You can bring them to a dinner meeting or contact Jann Kenyon or Lt/C Lori Williams, S.

Thank You for your support, Lori 🐟

Small, but friendly group for Ladies Lunch on 23 August at Susie’s Diner, Marco: D/1/Lt Andrea Battaglia, SN, Joyce Martindell, P/C Peggy Reiss, JN-IN, Lt Mary Carleen Ferry, S and Lt Dorothy Harkness, S

**September News From National  
 USPS Governing Board Meeting 2016**

The 2016 Governing Board Meeting, held in Pittsburgh, concluded on Saturday, 27 August. By all accounts it was a successful meeting. Besides the department and committee meetings available on Thursday, there were a number of seminars offered on Friday. These included but were not limited to: Squadron Growth – Finding What Works, Instructor Development, and SERAT Does It All on the Water. The official meeting attendance on Saturday was 405. Many of these members and their guests enjoyed the abundant sightseeing opportunities around Pittsburgh, including cruises on the 3 rivers, rides on the famous Incline Cable Cars, and for some a Pirates baseball game. The hotel was conveniently located with a variety of restaurants within a few blocks.

Some of the actions at the meeting included:

- ◆ The Finance Committee proposed a motion to increase dues \$2.00, effective date 1 December 2016. This would set the dues rate for a regular active member at \$53.00, family units headed by a regular active at \$79.50, and family units headed by a life member or a sustaining member at \$26.50. This motion passed.
- ◆ Announcement by the Member Benefits Committee of 2 new benefits:
  - 1) VSP – Individual Vision Care. This is a national not-for-profit vision care company
  - 2) Wyndham Hotel Group – 20% savings on their variety of hotel chains. For further information on these programs and a complete list of Member Benefits, go to the Member Home Page on the National Website, click on the Site Index, then Member Benefits.

Reported by R/C Kathleen Lambert, AP

**News for National  
 CO-OP CHARTING IS NOT DEAD!**

That's right, it is not dead despite the rumors. Even though CCWEB no longer exists methods are being established to allow us to file Nautical reports. These procedures were outlined to the National Committee in Pittsburgh.

These changes involve a whole new way to document and file the information. In addition to changes in filing reports there are other issues that impact United States Power Squadron members.

Since these changes were just presented and issues were discussed it will take some time to put it all together. Please be patient during this time until I am able to develop the news into a presentable format. In the meantime take advantage of the Geodetic Mark Recovery side of Co-op Charting. Jim

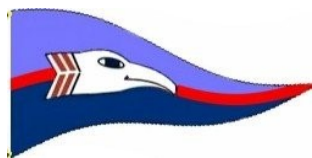

**Missing ATON Markers**

About two months ago I reported to the City of Marco Island that ATON marker 5 (circled above on the left) and 7 (circled on right) were missing coming into Caxambas Pass. They forwarded the information to the proper contact at Collier County. Again, on 5 Sept. I observed that those ATONs remain missing. I attended the City Council meeting on 6 Sept. and presented the above diagram and again reported the missing ATONs. I stressed, for safety sake, the importance of having a lighted ATON coming into the pass, especially at night. Right now the markers lead a boater straight towards rip-rap (rocks) and docks. At one time, a lighted "C" channel marker and lighted green ATON 5 were present.

D/1/Lt Andrea Battaglia, SN
