December 2022

## Meals of Hope, Saturday Nov 19, 2022

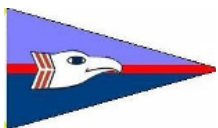

Photo courtesy of Andrea Battaglia

MISPS members supported a food packing event for Meals for Hope on Nov 19<sup>th</sup>. Meals of Hope food packages were designed to address the need for an economical, nutritious solution to aid in the fight against hunger. Each bag contains enough food to provide four meals. See [Meal Packing - Meals of Hope](#) for more information on the organization. Andy Battaglia, Peggy Reiss, Ted Reiss & non-members at table. Gene & Wanda Burson were very active signing people in, bringing supplies to the tables, etc. Also participating included Nanette Rivera, Susan Cole, Gene Wordehoff, and Allison Richards. Over 200,000 meals were packed!!!

Events for the 2023 boating year are still being planned and will be published in the 2023 Marco Island Sail & Power Squadron Directory and Fleet List.

Note that the executive committee has approved transitioning from a monthly postcard to a monthly e-mailing for the upcoming events. The e-mail will be suitable for printing and posting on your refrigerator. Postcards will be mailed for two more months.

**THE EAGLE'S EYE EDITOR**  
**Lt Jane Orsulak**

It's hard to believe that the year is coming to a close so quickly. As a relative newcomer to Florida, I'm still getting used to Christmas decorations around the pool! However, the mild weather means lots of boating opportunities for us all. Happy holidays to you and may the new year bring hope and joy into your lives.

I welcome any comments and suggestions to the newsletter. Please email to [jmo.abcd@gmail.com](mailto:jmo.abcd@gmail.com)

**SUNSHINE NEWS**  
**Lt Ann Marie Ryan**

Please continue to keep all those affected by Hurricane Ian in your thoughts.

- Allen Kuettner has passed away.
- D/Lt Richard (Dick) A. Quodomine Jr., SN has died as the result from a fall in his shower.
- Nanette Rivera's sister passed away.

Please keep these individuals and their families in your thoughts and prayers.

Please let me know of anyone who is sick, injured, or deceased. I will send a card in the name of the squadron.

**COMMANDER**  
**Wanda Burson, P**

Many of you have returned to your Island homes and we are very happy to see each of you. It has been a really busy time of the year – after all – how many years do we have two hurricanes bumping into each other?

We have had our first meeting for the upcoming Wine & hors d'oeuvres Party. I know some of you are out making your calls on businesses for donations. These donations are necessary for a successful party. As you know our neighbors and friends really enjoy this party and we want to make this one very successful. Thanks for all you are doing. We all appreciate it very much.

We have many upcoming events. These are part of our Civic mission for the community. November 29th we will be decorating the Christmas tree in Veterans Park at 9:00 a.m. and your help will be greatly appreciated. Following that December 3rd beginning at 5:00 p.m. the City is dedicating and opening the park officially. There will be a ribbon cutting, etc. at 6:00 p.m. Christmas Island Style will take over and we will have the entertainment and tree lighting. At 7:00 p.m. Joel Fry will take over and play for the next hour and a half. It should be a fun filled night for very young and old alike.

At 9:00 a.m. on December 10, Dave Chaney is calling all the very talented boat decorators to do your thing behind Walker's Showroom. I know the boat will be great. Later that evening we will watch you all in the parade that begins at 6:00 p.m. Tying it up for the Season will be the boat parade on the 17th of Dec. beginning at 6:00 p.m. leaving the Yacht Club.

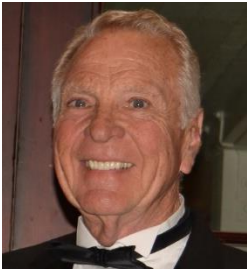

All the above is great – but don't forget the Christmas Party at the Yacht Club on the 14th of Dec. Check out the flyer inside.

Enjoy this beautiful Season and rest some and be ready for January 27 W&H.

**EXECUTIVE OFFICER**  
**D/C Gene Burson, JN**

Now we have had two hurricanes in two months. A lot of us have not gotten back on our feet from Ian and we were hit with Nicole, although, much less of a storm. I am hoping that the hurricane weather is over for this year.

All of us that have energy after cleaning up are doing so by helping at Club activities. These range from attending lunches, working at the Meals of Hope food packing event, working to construct the community Christmas tree and attending the lighting party, visiting local businesses for donations for our Wine & Hors d'Oeuvres Party, and helping to create a winning float to be entered in the Marco Island street parade. Read Dave Chaney's column for more information concerning the Wine & Hors d'Oeuvres Party and other activities.

I would like to talk to you about a couple other topics. They are the squadron bylaws and Merit Marks.

The National United State Power Squadrons® have made widespread changes in their bylaws that could affect our squadron. We are fortunate to have a strong Squadron and a strong District that is not in need of a reduced organizational structure. Some Squadrons just do not have enough members willing to step up to take on the roles of leadership. They need the flexibility of a minimum structure. Please print yourself a copy of the new bylaws when they appear on the Club website: [MarcoBoatingClub.org](http://MarcoBoatingClub.org). Learn more about your Club.

The last topic in this article is Merit Marks. I want to thank each and every member that received a merit mark this year for the volunteer hours they gave to the club. If you are not familiar with merit marks, it is a certificate you will receive from USPS as a thank you for your service. A donation of at least 12 hours of service, preferably in at least three areas of the club, is required for a merit mark. Those areas could be fundraising, teaching, vessel safety check program, co-op charting, cleaning the learning center, mentoring new members, etc.

Thank you again to all the members that received a merit mark and hopefully more members will receive

a merit mark next year.

The United States Power Squadrons® recognizes those members that have given a high amount of valued service to the organization throughout the year. Each member is eligible to receive one merit mark per year. Those recipients for 2022 are:

- |                   |                  |
|-------------------|------------------|
| John Apolzan      | Andy Battaglia   |
| Sonya Cates       | Gene Burson      |
| Wanda Burson      | Donald Cates     |
| Patricia Cavanagh | David Chaney     |
| Linette Chaney    | Jerry Cole       |
| Susan Cole        | Shelly Derrough  |
| Ken Deutsch       | Dennis Enstrom   |
| Kathy Enstrom     | Christ Frost     |
| Rhonda Gloodt     | Dorothy Harkness |

**ADMINISTRATIVE OFFICER**  
**Lt/C David Randall, AP**

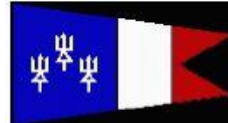

The Marco Island Sail and Power Squadron (a.k.a. America's Boating Club – Marco Island) happily welcomes back those rejoining from the soon – to – be cold Great White North.

The Squadron has oodles of upcoming events. Those wishing to dust off and tickle their little grey cells (as Hercule Poirot would say) have upcoming educational opportunities with America's Boating Course, How to Use a Chart, and Using GPS. Your admin officer and secretary will probably drive Tippy batty as she endeavors to teach us which end of a sextant to point at the sun. Our November dinner meeting highlighted a presentation on the status of our inland waterways and canals from Dave Crain. Mark your calendar for the MISPS Christmas party on December fourteenth. And, of course, save the date for our January wine and hors d'oeuvre fete as your fellow members have their noses to their assigned grindstones to solicit support from local businesses. For those who just wanted to chill and have a drink, we gather at our Captains' Meeting at CJ's on November thirtieth where boating issues and all the world's ills will be figured out. Fair winds and following seas!

**Course Graduates**

Congratulations to Jerry Cole and Linda Russo for passing the Boat Handling course taught by Nick Rago

Congratulations to Jim Addison, John Apolzan, Don Bruns, Shelly Derrough, Ken Koos, and Dave Randall for taking the Operations Training seminar taught by Ted Reiss.

**EDUCATIONAL OFFICER**  
**P/D/C Ted Reiss, SN-CN**

Two members took the final exam for Nick Rago's Boat Handling course last week. Operations Training had eight members.

Two members are currently taking Gene Burson's Marine Navigation course. Eight people have signed

up for the December ABC and one for the Charting/GPS seminar.

Offshore Navigation course begins again on December 6th for members only. December's America's Boating Course and Charting/GPS seminar is being advertised in Coastal Breeze, Marco Eagle and Eye on Marco as well as in the current Eagle's Eye and Marco website. Winter/January courses and seminars will be advertised in December. The entire education schedule is on the classroom bulletin board and on the National website via HQ800.

We need more instructors as well as an Assistant Educational Officer. Anyone with interest or questions can contact me.

**December Birthdays**

Happy birthday to the following ABC-MI members who are celebrating their birthdays this month. If we've missed your birthday, contact the Editor.

- 12/04 Joseph M. Kistner
- 12/08 Edward J. Gerri
- 12/09 Jane Orsulak
- 12/11 Lori Williams
- 12/15 Kristin L. Koos
- 12/20 Gerald D. DuFresne
- 12/20 Larry R. Green
- 12/24 Jerry Williams
- 12/28 Coleen M. Singer
- 12/29 Richard Siegel
- 12/31 William F. Kreppein

## SAFETY OFFICER Lt Kenneth Deutsch

### Boating Safety - Ten Tips to Increase Boating Safety

Boat safety is essential for the boating enthusiast. Here are ten tips to help you be a safe boat operator.

1. **Plan ahead...use your head.** Find out from the Coast Guard, our Power Squadron, your local Department of Natural Resources officer, or your boat dealer about the laws and regulations regarding the operation of a boat or PWC. Check the weather forecast before you leave shore and monitor weather radio while on the water. Storms can come up quickly in summer, and lightning is very dangerous for boaters. Because water is a conductor of electricity, get off the water quickly when lightning is near.
2. **Read the owner's manual.** There are valuable tips about your boat in the manual. Take the manual, a tool kit and crucial spare parts with you when you boat. Seal them in a watertight container to prevent damage.
3. **Use ALL the right gear.** Don't be that guy (and/or gal). ALWAYS wear a life vest or flotation device when boating. You must have a device for each person in the boat. Always carry emergency gear, like a first aid kit, a flashlight, extra batteries, extra clothing and blankets and maps. And don't forget the sunscreen and sunglasses.  
Make sure you are equipped with a throwable personal flotation device in case someone falls overboard. Other important gear would include a tow line, jumper cables, extra paddle or oar, fire extinguisher, something to use for bailing in the event that your vessel takes on water, and audible and visual distress signaling devices such as a whistle, air horn, orange smoke device and flares.
4. **Practice in a safe place.** If you want to be a safe boat owner and enjoy your boat more, practice operating the boat. Practice safe acceleration, stopping, turning and awareness of your surroundings.
5. **Take a training course.** Many times, dealers offer training courses to teach safe and fun

operation of personal watercraft. Our United States Power Squadron, United States Coast Guard Auxiliary, United States Sailing Association, and the American Red Cross all offer boating courses. Sign up for the courses that are available, from novice to skilled operators.

6. **Don't boat or ride in restricted areas, or at restricted times.** Some waterways restrict the locations and times that boats or PWC's can be operated. Know the rules and follow them willingly.
7. **Stay sharp and maintain control.** NEVER do drugs or drink alcoholic beverages while boating. Make sure your speed matches your operating experience, weather conditions, boat traffic and potential hazards.
8. **Do a pre-trip inspection.** Check your controls, lights, fuel/oil levels and the hull before you begin your trip. Do this EVERY TIME you begin your trip, even between trips on the same. When fueling, open the bilge and engine compartments to allow fumes to escape. Do the most obvious thing and check your drain plug.
9. **Avoid boating alone.** Just as you should never swim alone, you should avoid boating alone if possible. Boating is great fun but carries its own dangers. Create a "float plan," which means you tell someone where you are, where you're going and when you expect to return.
10. **Get insurance protection for peace of mind.** Make sure you have the best boat insurance coverage for you. This will protect your unit from damage and protect you from liability in case others are injured or the property of others is damaged while you're boating.

By doing these ten tips, you'll have the best chance at having fun on the water.

## Membership Corner

### P/C Peggy Reiss

Welcome to the Membership Corner! My goal as membership chair is to have new members highlighted here, as well as longtime members whom some of the newer folks may not know. Our Club members are interesting and exciting folks who enjoy boating, getting connected with other boaters, becoming more educated in boating, and being involved with our community.

This month we feature elder member Bob Richardson and wife Betty and newer member Ken Koos.

**Bob Richardson** was born on the Eastern Shore of Maryland and graduated with a degree in Applied Physics from Washington College (founded 1783).

**Betty** was born in Western Maryland and graduated from Goldey Beacon College in Accounting. She is an accomplished artist as well.

Bob worked for Hercules Inc. in the field of aerospace and more specifically in developing missiles/rockets during the Sputnik, Poseidon & NASA Space Flight Era. Later involvement was in synthetic fuels, development of in-house sub-businesses, and specialized polymers which led to a move to Corporate Headquarters.

Betty moved to corporate to continue accounting assignments with different divisions of the company.

Bob and Betty moved to Marco Island in early 1994 and joined several boating clubs including Marco Island Sail & Power Squadron. They have enjoyed many activities including cruises, dances, dinners, etc. Bob served in many positions with the squadron over 27 years including Squadron Commander 2001-2002.

**Ken Koos** was born and raised in Dubuque, Iowa. He holds a BA degree in accounting from St Mary's University in Winona MN, and an MBT from University of Southern California. He also attended Iowa State University, Cal State Bakersfield, and Loyola Law School. Ken is married to his wife Kristin. He has two sons, Anthony (Tony) and Alex, and a daughter Ericka. His professional experience is in public accounting with Ernst & Ernst, KPMG, PWC, Koos & Company, and PC. He also did private accounting with Tosco Corp.

He is an active CPA, and recent CFP. He participates

in several organizations:

- AICPA (American Institute of CPAs) for a number of years
- Farmington, CT Board of Education (13 years). Chaired Negotiations, Vice Chair (6 years)
- Winding Trails (501(c)(3) – Treasurer (5 years)

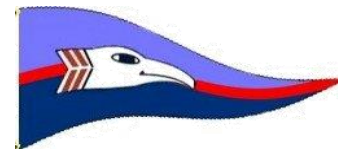

Ken has lived in many states including IA, MN, CA, TX, CT, FL. He maintains that he is currently living in the state of Confusion as well.

Ken is currently our Assistant Treasurer and as of our November Annual Meeting has been elected to the position of Executive Officer of America's Boating Club—Marco Island. He cruises around Marco in his 26' Hurricane.

## Christmas Events

The annual Marco Island Tree Lighting will be Saturday, December 3 at 6:00 PM. Please join us in decorating the tree on November 29<sup>th</sup>.

The Christmas parade is from Balfour on San Marco to Barfield on Dec 10<sup>th</sup>. The parade kicks off at 6:30 but you have to be there early to get a place to watch.

*Captain's Meeting*

*"Meet & Greet"*

*everyone welcome!*

*CJ's Gazebo Bar at the Esplanade at*

*1700 on the 4<sup>th</sup>*

*Wednesday of the Month*

*For the time being, those who wish to attend should just show up at CJ's and be ready to enjoy a meet and greet!*

## Ways and Means Committee Update Lt David Chaney

Our 2023 Wine & Hors d'Oeuvre Party Fundraising Campaign is off and running with 7 teams canvassing Marco and the surrounding communities. Team Captains are: Gene & Wanda Burson, Dave & Linette Chaney, Jerry Cole, Shelly Derrough and Dave Randall, Chris Kimble, John and Mary Moyer and Peggy and Ted Reiss. Each team is made up of 2 or three volunteers that are making calls and collecting donations. Our goal is to call on over 125 donors from our 2021 campaign and secure their donation by Christmas. If you can help make calls with these team captains we are still looking for additional volunteers. If you have any personal connections with a possible donor, please let me know and we will make the call with you or follow up on your lead.

We will be meeting in the condo/classroom at 10:00 AM, December 19th to plan for the January 27, 2023 Wine & Hors d'Oeuvre Party. At this meeting we will sign up and delegate volunteers to work in the kitchen, decorating, pre-event donation set up, ticket sales and silent auction. Look for an email for this planning meeting and sign-up details. This year, as in the past, tickets will be \$25 for members and \$30 to all others. There will be no discount on pre-event ticket sales to nonmembers. Tickets will be available to members at the December 14th Christmas Party and mailed out to all those not attending the Christmas party. Look for the link on the right side of our home page for the event flyer and details. [MarcoBoatingClub.org](http://MarcoBoatingClub.org)

On December 10th we will be decorating a boat for the Marco Island Christmas Street Parade. Decorating will begin at 9:00 AM on the 10th behind the Walker Marine showroom located at 785 Bald Eagle Drive. We need at least 10-12 volunteers to decorate the boat and walk in the parade wearing our red lifejackets and carrying our signs and banners. The parade begins at 6:00 PM on the 10th. On December 11th at 9:00 AM we will also need 6-8 volunteers to remove decorations and clean the boat behind the Walker Marine Showroom. Look for an email a week before the event requesting volunteers.

So, get in the Christmas spirit and volunteer for these great club events!

Lt David Chaney

Chairman, Wine & Hors d'Oeuvre Fundraising Event

Chairman, Street Parade Boat Decorating

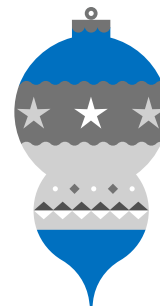

Ways and Means Committee

440-804-6398

### BOAT DECORATING

Calling all volunteers to help decorate our Christmas Street Parade Boat!!!! Meet December 10th at 9:00 AM behind Waker Marine showroom located at 785 Bald Eagle Drive! String some lights while listening to your favorite Christmas music. Coffee and pastries provided. We need street walkers to accompany our float. Parade gathering at our float at 5:00 PM. Contact Dave Chaney to join in the decorating and parade.

Lt Dave Chaney  
440-804-7398.

### Hand, Knee & Foot" Card Game

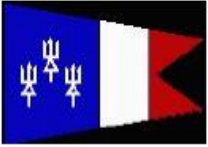

Call: Lt Dorothy Harkness, S at 239-642-3575

Email: [dorothyharkness@embarqmail.com](mailto:dorothyharkness@embarqmail.com)

Easy to learn this fun game ... nice to play while on cruises. Socialize with members of the squadron, give Dorothy a call ... 239-642-3575.

Social distancing will be observed

**"CAPTAIN TED'S CORNER"**  
P/D/C Ted Reiss, SN-CN

1) **BOTH INTERNATIONAL & INLAND** Sailing vessels are stand-on over power-driven vessels except \_\_\_\_\_.

- a) in a crossing situation
- b) in a meeting situation
- c) when they are the overtaking vessel
- d) on the inland waters of the U.S.

2) **INLAND ONLY** A vessel displaying an alternating red and yellow light is \_\_\_\_\_.

- a) in distress
- b) enforcing the law
- c) engaged in public safety activities
- d) restricted in its ability to maneuver

3) VHF Channel 6 is used exclusively for what kind of communications?

- a) Radio checks and time checks
- b) Inter-vessel safety and search and rescue
- c) Working with helicopters
- d) Radio direction finding

4) The height of tide is the \_\_\_\_\_.

- a) depth of water at a specific time due to tidal effect
- b) difference between the depth of the water and the area's tidal datum
- c) difference between the depth of the water and the high water tidal level
- d) difference between the depth of the water at high tide and the depth of the water at low tide

## VESSEL SAFETY CHECKS

If you want a 2023 Vessel Safety Check (and you should if you will be involved in any squadron boating activities), please request one by contacting John Moyer (239-248-7078 or [jmoyer1528@aol.com](mailto:jmoyer1528@aol.com)). VSCs are free and we can send you the paperwork in advance so you can get ready for your inspection. We are also looking for individuals who would like to volunteer to be a VSC inspector.

## Lunch at the Little Bar Restaurant

Members enjoy lunch at the Little Bar Restaurant. Unfortunately, all attendees had to drive due to the water conditions, but everyone enjoyed the opportunity to get together after as life slowly returns to normal.

## November Annual Dinner Meeting

We had full agenda for the November Annual Meeting. After reports from the bridge officers, we nominated and elected the 2023 slate of officers, and approved changes to the by-laws. We heard an interesting discussion about the state of the local Marco Island canal waterways from Dave Crain.

# Captain's meeting at CJ's on the Bay

Members enjoyed a lovely evening at CJ's on the Bay in October.
