## AMERICA'S BOATING CLUB-MARCO ISLAND ANNUAL MEETING

**Wednesday, November 10, 2021 5:00 p.m.**

Please plan to attend our annual meeting scheduled for Wednesday, November 10, 2021 at 5:00 p.m. at the Marco Island Yacht Club. We will be voting on officers for the 2022 year so it is important that we have a quorum of members for the voting. Be sure to check out the slate of officers which is included on page 10 of this month's Eagle's Eye. The budget for 2022 will be presented and approved as well. In addition to our annual meeting, we have an informative speaker from the Marco Island Historical Society who will be talking about the restoration of a 1940s skiff.

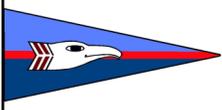

The reservation form for the dinner is included on page 10 of this edition of the Eagle's Eye. Be sure to send your reservation in to Dorothy Harkness by Friday, November 5th. We hope to see many of our members at this important meeting!

How disappointing it was to hear that our October dinner meeting had to be cancelled due to a lack of reservations. I was looking forward to seeing people and being able to take some photographs for the Eagle's Eye! I hope that more people will sign up for the November dinner meeting. This is our annual meeting where elections for 2022 take place and where our budget for the next year will be approved. Your attendance is important for many reasons! I hope to see more of our members at the Yacht Club next month. See page 11 of the Eagle's Eye for information on the menu and speaker for that evening's program.

**COMMANDER**  
Wanda Burson, S

Friends, it is that time of year when all our members that are spread far and wide, begin making their way back to Marco. You have all been missed. We had a rather wet summer and lots of our events got canceled due to the weather. For the first time in our history, we had to cancel our first dinner meeting of the season this past week due to lack of participation. This was a sad occasion for me.

Hopefully more of you will be back on Marco for our November Dinner Meeting as we have a lot of business to attend to. We will be electing Officers for 2022 and approving the Budget. It will be so nice to see you after this rather long summer.

We just had the District 22 Fall Conference. Six delegates attended for us and voted on the District Budget which was passed. They also heard discussion on Regionalization. Florida is being considered to be its own Region. It is believed that this change will take a couple of years.

We have several events coming up and we have positions available for those members that are still willing to volunteer. America's Boating Club – Marco Island is a club that maintains very high standards. We are an asset to our community.

Our Club is very important to the boating community. Boating Education, Vessel Safety Checks, and Reporting on ATON's condition are the things that make us special and necessary. Please consider how you can be a part of keeping us great.

Thank you are being a part of this great organization.

**SUNSHINE NEWS**

Linda Spell is recovering from hand surgery. John Noffze is in rehab after a fall which injured his shoulder. Pam Sander is scheduled for surgery. Please keep these members in your thoughts and prayers.

Please let me know of anyone who is sick, injured or deceased. I will send a card in the name of the squadron.

**EXECUTIVE OFFICER**  
D/Lt/C Gene Burson, JN

It is now November and most of our snowbirds have returned to roost. We can now begin to get back to normal. A full schedule of classes is available for members and the public. Gatherings for lunches, cards, boating excursions, and meetings are in full swing. Here are a few of the activities you need to reserve on your calendars.

The first, and one of the most important meetings, is our November 10<sup>th</sup> Annual meeting, to be held at the Marco Island Yacht Club. At this meeting the membership will be presented a Club budget for 2022-2023. The Budget and Finance Committee has worked hard with the Bridge to develop a realistic budget to move forward given the times we have faced this past year. Also, a new slate of officers will be presented to the membership for their approval. Both items will need a positive vote to comply with the Club by-laws. Please complete the meeting flyer for the Annual Meeting and return it to Dorothy with your choice of meals and check as soon as possible; don't delay.

While people return from their winter residences, our Vessel Safety Check program is kicking into high gear. Everyone needs to have their boat checked for all safety items before going out on the water for the first time in the season. Email John Salotto ([Eagle31543@gmail.com](mailto:Eagle31543@gmail.com)) or Dan Marinelli ([GoPackers1113@msn.com](mailto:GoPackers1113@msn.com)) to schedule your boat VSC check. Don't delay.

You are probably wondering why you haven't seen any publicity/ads in the newspapers for our boating classes. Well, I am glad to report that we are getting students from our website. We plan on advertising in the Winter for our ABC classes, Boat Handling and all Seminars. Members will get priority seating opportunities.

The Ship's Store is back and will be selling Club shirts, burgees, etc. at our monthly meetings. All members should wear a white Club shirt when soliciting businesses for donations and on the night of the Wine & Hors d'Oeuvres Party.

(Continued on the top of page 6)

**ADMINISTRATIVE OFFICER**  
D/Lt/C Peggy Reiss, JN-IN

Welcome back Snowbirds! Returning to our Island home are Carl & Sheila Thieme, Dave & Linette Chaney, Nick & Debbie Rago, Jim & Sheila Bahin, and John Apolzan. And how did I know this? They all came to the Lunch on October 20 at Little Bar (which had just opened from their summer holiday). Twenty-eight of us enjoyed the fine food and view out on the screen porch.

November 10 is our annual meeting at Marco Island Yacht Club. This important meeting has us voting in the next Bridge who will take over in January at our Change of Watch. Please plan to attend! Dorothy Harkness will be your point of contact—see the flyer.

I am holding an Activities Meeting at 1000 in the Learning Center on November 16. Anyone who would like to have input about activities for the next year should come and be heard. Hopefully we will schedule Cruises & Lunches, Picnics, Raft-ups and more that will interest everyone. Let me know your thoughts.

Our November 19 Cruise & Lunch will be at Naples Yacht Club with Naples Power Squadron hosting a lunch and meeting. See the flyer on page 12 for more information.

Our Membership continues to grow. Please welcome Ed and Cloe Gerri, new graduates from the ABC Class. They are full time residents of Marco Island and the proud owners of a new 26' boat named Genesis. Welcome aboard!

New members hailing from Wisconsin are Roger and Diane Thario. They are still in business there and will be back and forth to Marco Island. They have a 26.5 Chris Craft power boat named Red Stripe. We look forward to them joining in the activities of America's Boating Club of Marco Island.

## EDUCATIONAL OFFICER

P/D/C Ted Reiss, SN-CN

Our education program has restarted. The first ABC class had six students, four of whom started the BOAT HANDLING course being taught by Nick Rago. ABC will be held again in December, January, February and March. BOAT HANDLING is scheduled again for February. These two courses form the basis for knowing safe boating. Both are open to members and non-members, so register for what interests you and maybe bring a friend.

What's next? November is the start of OFFSHORE NAVIGATION, formerly Junior Navigation, the beginning of celestial navigation. You will learn how to determine your position using a sextant and the sun.

December has several more opportunities to increase your knowledge. INSTRUCTOR DEVELOPMENT is a five session course to become an organization certified instructor. We need more instructors. More instructors will lead to more diversified courses and seminars. CHARTING/GPS is a two session seminar on 14 & 16 December on how to use paper charts and then transfer your skills to an electronic chart plotter.

Do you want to learn more about the whole organization from National through Districts to Squadrons? Join us for the **FREE OPERATIONS TRAINING** one session seminar on 11 December. You do not need to be an officer for this class.

One person has requested we teach the MARINE ELECTRONICS course which covers both AC and DC circuits. Is anyone else interested? It is a 6 or 7 session course depending on your background. Let me know so we can set up dates and an instructor.

The full education schedule on our web site and on pages 16 and 17 of this issue of the Eagle's Eye, identifies courses and seminars for the winter of 2022. It's never too early to register. On-the-Water training on a vessel you supply and use of the classroom vessel simulator are available for members by contacting me to arrange a time and place. This is an opportunity to put into practice what you learned in the classroom.

What else would you like to learn? Let me know.

Keep learning, go boating and be safe.

## EXECUTIVE OFFICER REPORT, Cont.

The Ways & Means Committee is responsible to generate enough money during the year to support the Club and our education mission. Please read the Wine & Hors d'Oeuvres Party article and view the flyer in this issue. The first Volunteer meetings have been scheduled for 10:00 am on November 4<sup>th</sup> and 18<sup>th</sup> in the Learning Center to assign volunteers to committees. Please come and volunteer.

Gene Burson, XO

## WELCOME NEW MEMBERS!

Join me in welcoming two couples who have recently joined America's Boating Club-Marco Island.

Ed and Cloe Gerri are full time residents who just passed the ABC course. They have recently purchased a new 27 foot Grady White.

Roger and Diane Thario hail from Green Bay, WI and are part-time residents on Marco. They own a 26 foot Chris Craft.

I will hope to have a profile of these new members in the December edition of the Eagle's Eye!

# New Members: Welcome to the Wine & Hors d 'Oeuvres Party Fundraiser

**This is the time for all members to come to the aid of their Squadron!**

**The Marco Island Sail and Power Squadron, America's Boating Club® is a non-profit volunteer organization with the mission of providing safe boating classes to the residents of Marco Island. To that effort we must raise money each year to support the mission.**

**The Squadron has only one fundraiser each year where we raise money to support the mission for the entire year. This fundraiser is called the Wine & Hors d 'Oeuvres Party which is held the last Friday in January. A lot of work by members is needed to make this event a success.**

**We want our members to purchase the four tickets that they will receive either at the Christmas party or in the mail following the party. Additional tickets are available to be sold to family, friends, or neighbors.**

**The Party attendees, our guests, have tables full of hors d'oeuvres to enjoy while drinking wine, beer, etc. During the evening we sell chances on raffle prizes and a 50/50 drawing. The most valuable donations are put into a Silent Auction where the highest bidder can take home the item. A door prize of \$250 is given at the end of the event.**

**This event can only be successful with your help – Volunteers!**

**Volunteering is fun, makes you feel good that you were part of the event, you get to know more of your fellow members, and you can take pride in knowing you did your part to make the evening a success.**

**The first area of volunteering is to visit local businesses for donations. I have written a letter to be sent or delivered to the business owner or manager explaining our mission. For those of you that may not feel comfortable or know how to approach the owner or manager, I have drafted a script to use as a guide for your conversation. These two documents should be helpful.**

**Please call or email me of your willingness to help. A Team Building meeting is scheduled for November 4<sup>th</sup> in the Learning Center. At that time, I can answer more of your questions, and you can select which businesses you will visit. Be part of your Squadron's success.**

**Thank you for your time reading this and in helping to make this event fun and economically successful.**

**Sincerely,**

**Executive Officer Gene Burson, JN**

## CRUISE & LUNCH WITH NAPLES POWER SQUADRON NOVEMBER 19, 2021

There will be a joint Member Meeting of the Naples Sail & Power Squadron and the Marco Island Sail & Power Squadron at the Naples Sail & Yacht Club at 835 River Drive in Naples Florida on November 19<sup>th</sup> 2021 at 1130.

The speaker will be the Collier County Commissioner Rick Locastro District 1 (East Naples, Marco Island, Goodland, Isle of Capri, Port Of the Islands).

The Naples Sailing and Yacht Club Dockmaster has dockage for five boats from Marco Sail & Power Squadron. Upon arrival call the Dockmaster Amanda Wentworth at 239-774-2649 for docking information.

The luncheon buffet cost is \$26.00 per person in check form payable to the Naples Sail & Power Squadron at the dining room entrance. (The buffet and ice cream bar is the best!)

The Naples Sail & Power Squadron Commander Jim Jakubic and their membership are excited about getting together with us. This is a great opportunity to get to know our fellow club members just a few miles up the road.

Please let Peggy Reiss know by Friday November 12 if you will attend either by boat or by car. If coming by boat, please give Peggy the name and length of your vessel so we can reserve the proper slip. Ted and Peggy will be going by boat on the inside, leaving from Snook Inn at 1000. If you would like to follow them please let Peggy know 239-213-8686; [peggy.reiss@yahoo.com](mailto:peggy.reiss@yahoo.com)

## **MISPS**

### **New Member Connect Program**

**The Marco Island Sail and Power Squadron (MISPS) seeks to make new Members welcome and encourage active participation in MISPS education courses, boat safety programs and social activities by those new to our organization.**

**We are seeking volunteers to become New Member Hosts/Sponsors. If you bring a new member into MISPS we would expect you to be their host/sponsor. If you would like to become a new member host for other new members without sponsors please email Ray Rosenberg, AP with your request. Ray will be coordinating this program and will provide you with the tools needed.**
