AMERICA'S BOATING CLUB
Marco Island

THE EAGLE'S EYE

VOLUME 47 ISSUE 9 marcoboatingclub.org **November 2026**

Our first monthly meeting of the season was held at The Burrow on Marco Island. We enjoyed an evening of comradery and learned about the planned changes to Rose's Marina. I think we are all looking forward to the restaurant opening in 2 years!

BOSUN'S Whistle Bridge Report
Cdr Christopher Frost, JN
Lt/C James Addison, P
Lt/C Deborah Rago

The 2026–2027 season is officially in full swing, and the Marco Island Sail and Power Squadron is off to a great start! With our summer travelers returning to port and our calendar filling with activities, it's wonderful to see so many familiar faces reconnecting and enjoying the camaraderie that makes our Squadron special.

October gave us several opportunities to enjoy the best of Southwest Florida. Our cruise to Sand Dollar Island was a welcome reminder of why we love boating in this beautiful part of the world. There's nothing quite like getting out on the water, enjoying the scenery, and sharing the experience with fellow members. We also enjoyed a group lunch at the Little Bar, where good food, great conversation, and plenty of laughter made for a memorable afternoon.

Our Captain's Meeting at Mango's was another success, with 15 members gathering for happy hour. These informal get-togethers continue to be a favorite way to catch up with old friends, welcome new faces, and share a few sea stories. After all, sometimes the best part of boating is the company we keep, even when we're not on the water!

As we chart our course into November, the calendar promises plenty more opportunities to get together. Our next Membership Dinner Meeting will be held on Wednesday, November 11, at the Lutheran Church, featuring a traditional Thanksgiving dinner catered by Kretch's. In keeping with the spirit of the season, we'll enjoy a little friendly competition with several rounds of Bingo, complete with some great prizes for our lucky winners. It should be a fun evening of good food, fellowship, and perhaps a little good fortune!

Just two days later, on Friday, November 13, we'll gather at Residents Beach for our Fish Fry. There's something special about sharing a meal with friends against the backdrop of our beautiful island, and this promises to be another enjoyable evening.

Then, on November 20, we'll join our friends from the Naples Sail and Power Squadron for a cruise and lunch. This annual gathering has become a favorite tradition, bringing together fellow boating enthusiasts for a day of friendship, good food, and time on the water.

As we enter the heart of our boating season, I encourage everyone to take advantage of the many activities on our calendar. Whether it's a cruise, a dinner meeting, or simply gathering for happy hour, these events are what keep our Squadron vibrant and our friendships strong.

As always, a special thanks to the volunteers who help organize these activities and keep everything running smoothly. Your time and efforts are the wind in our sails.

Until we meet again, may your seas be calm, your friendships plentiful, and your course always lead to another great adventure.

Fair winds and following seas!

Chris Frost: Commander – Squadron-3125
Jim Addison: Ex/O – Squadron
Debbie Rago: A/O – Squadron

Education OFFICER
Lt/C Jeff Williams, JN

Set Sail for Safety: MISPS Kicking Off its Fall Boating Education Program!

November marks the second month of our Fall Boating Education Program. Whether you are a seasoned captain looking to sharpen your technical skills or a new boater preparing to explore our local waters, our lineup of courses and seminars and our experienced instructors offer you essential training to keep you and your family safe, confident, and knowledgeable on the water.

This month we will be teaching:

1. **Boat Handling Course**
   - **Dates** – Nov 5, 9, 12, 16, Dec 7, 10, 14 , 6 PM
   - **Location**: MISPS Learning Center, 1114 N.

Collier Blvd, Marco Island
- **Cost**: FREE for MISPS Members | $100 for non-members

Once you understand the basic rules, it is time to master the art of maneuvering your vessel. Boat Handling covers the following six areas:

- Nautical Rules of the Road – Understand the rules encountered by recreational boaters during most every boating outing.
- Confidence in Docking and Undocking – Slow-Speed Maneuvering to understand the issues affecting docking and undocking and how to deal with them
- Understand how to use two knots most often used when docking: the cleat hitch and the round turn and two half hitches. Understand how and when to use lines for docking and undocking.
- Boating with Confidence – Handle your boat underway. Understand what issues you can control on your boat such as steering, trimming, and planning and how to deal with them. Understand how wind, tides, weather, seas, currents affect boat handling and learn how to handle them.
- Anchoring with Assurance – Understand how to anchor and choose appropriate locations depending on conditions. Understand how to select appropriate anchors, chain and rode. Understand how to effectively pick up moorings and raft your boat to other boats.
- Emergencies on Board – Understand the most common types of vessel emergencies and how to deal with them. Understand medical emergencies and how to be prepared for them.
- Knots and Line Handling – Know the function of knots, bends, and hitches most often used on recreational vessels. Learn the characteristics and properties of rope used to make various types of line used on recreational vessels. Know how to select the proper type and size of line for use on their boat.

2. **Knots and Line Handling**
   - **Date** – Nov 10, 6 PM
   - **Location**: MISPS Learning Center, 1114 N. Collier Blvd, Marco Island
   - **Cost**: FREE for MISPS Members | $60 for non-members

Know the function of knots, bends, and hitches most often used on recreational vessels. Learn the characteristics and properties of rope used to make various types of line used on recreational vessels. Know how to select the proper type and size of line for use on their boat.

3. **AED / CPR / First Aid**
   - **Start Date**: November 14, 9-11 AM
   - **Location**: MISPS Learning Center, 1114 N. Collier Blvd, Marco Island
   - **Cost**: FREE for MISPS Members | FREE for non-members

Essential medical training customized for the unique challenges of being out on the water where emergency medical services are miles away.

4. **Situational Awareness**
   - **Start Date**: November 28, 9-11 AM
   - **Location**: MISPS Learning Center, 1114 N. Collier Blvd, Marco Island
   - **Cost**: FREE for MISPS Members | FREE for non-members

Learn how to be safer and more aware of your surroundings in both public and private settings. The seminar stresses the importances of analyzing your environment, identifying threats, improving your state of awareness and improving your reaction time.

5. **Instructor Development Course**
   - **Dates** – Dec 1, **9**, 15, Jan 7, 11 , 6 PM
   - **Location** - MISPS Learning Center, 1114 N. Collier Blvd, Marco Island
   - **Cost**: FREE for MISPS Members | Not open to the public

Starting on 1 December we will begin the 5-session Instructor Development course free to members,

allowing members to become Certified Power Squadron Instructors - a need for our organization. Let us know your interest.

Note change of date from Dec 8 to Dec 7 for the second session due to conflict with the montly meeting.

6. **Operations Training Seminar**
   - **Dates** – Dec 3 , 6 PM
   - **Location** - MISPS Learning Center, 1114 N. Collier Blvd, Marco Island
   - **Cost**: FREE for MISPS Members | Not open to the public

We are pleased to present the free Operations Training course on December 3rd at 6 PM for members only. This seminar provides information on the entire United States Power Squadron from National, through District to our own Marco Island Squadron/America's Boating Club. Over half of the material addresses the roles of our officers and committees, hence it is a valuable resource for our soon to be elected and installed members as they prepare for the coming year, but open to all wanting to learn about the entire organization. Past District 22 and past Marco Island Squadron Commander Ted Reiss will be the instructor.

How to Register

Spaces at the MISPS Learning Center fill up quickly. Secure your spot for our October offerings. Click on the link below to learn more and register.

www.marcoboatingclub.org/FreeBoatingCourses

For more information, call or text Jeff Williams at 505-220-6524..

On The Water Training (OWT)

Are you ready for On Water Training? Will it increase your confidence in running your boat? Lt Geoff Fahringer, AP is now able to offer free OWT on your boat. No boat is too big nor too small with any number of engines. What would you like to learn? Would extra classroom sessions (continued on Page 9) have a benefit? If YES to any of these questions, contact Geoff. Let me know your thoughts, comments, interests, and availability so I

can put together a unique plan to improve your boat handling skills.

2027 MISPS Officer Nominations and Election
Randy Egan, Jane Orsulak, Chris Ricci

A full slate of candidate officers have accepted their nomination to the various bridge and elected committee positions for the upcoming 2027 year. The dedication and commitment to excellence of these nominees allows our club to successfully meet our mission of providing safe boating education, as well as all the social events that we sponsor throughout the year.

The slate of officers is published in this issue of the newsletter, and will also be made available at the November meeting. The election will be held December 8th at the annual MISPS membership meeting and Chrismas Party.

Toy Collection

A toy collection will not be available this year at the holiday party. If you would like to contribute, you can write a check to the Kiwanis Club of Marco Island and give it to Kathleen Reynolds at the Christmas Party or mail directly to the

Kiwanis Club

PO Box 2041,

P/D/C Ted Reiss, SN-CN

1) Which term describes the opening in the deck that leads the anchor cable outside the hull?
   a) Drop-pipe
   b) Hawsepipe
   c) Spill pipe
   d) Fall pipe
2) How does a drift lead indicate that the vessel is dragging anchor?
   a) The line is slack and motionless
   b) The line is leading out perpendicular to the centerline
   c) The line is taut and leading under the hull
   d) The line is taut and leading forward
3) Your vessel is off a lee shore in heavy weather and laboring. Which action should you take?
   a) Heave to in the trough of the sea.
   b) Put the sea and wind on either quarter and proceed at increased speed.
   c) Put the bow directly into the sea and proceed at full speed.
   d) Put the sea and wind about two points on either bow and reduce speed.
4) A situation has occurred where it becomes necessary for you to be towed. What action should be taken to prevent your vessel from yawing?
   a) Shift weight to the bow
   b) Throw excess weight overboard
   c) Shift weight to the center of the boat
5) Shift weight to the stern

AMERICA'S BOATING CLUB
UNITED STATES POWER SQUADRONS®

CLUB MEMBER SPONSORSHIP RECIPIENTS

The Marco Island Sail and Power Squadron, Americas Boating Club, has a Club Business Sponsorship program for the businesses in the area to support the Club's mission through contributions to the Wine & Hors d'Oeuvres Party fundraiser. The question was raised as to possibly of having a club member sponsorship program.

The Club Member Sponsorship program was created this year. The guidelines for this recognition are that the members be in good standing in the club and have donated an amount greater than $200 to the fundraiser.

These members will be recognized in each issue of the Eagle's Eye all year.

Marco Island Sail and Power Squadron wants to recognize the following members as the Club Member Sponsors for 2026.

Jim & Merianne Addison

Andrea Battaglia

Tim Benincasa & Jane Orsulak

Gene & Wanda Burson

Dave & Linette Chaney

Jerry & Susan Cole

Randy & Carol Egan

Geoff & Kathie Fahringer

Ed & Cloe Gerri
