

Operation Training

This free, one session seminar is an opportunity to learn about the total America's Boating Club, United States Power Squadron from National, through District to the Marco Island Squadron. Its purpose is to make you a better, informed member. It is aimed at the newly elected officers, new members, new member mentors and department chairs, but open to all members. This seminar addresses the organization's purpose, structure, roles of members and unique features/activities related to Marco Island.
